

PLAYER MATRIX ADJUSTMENT REQUEST FORM

The initial Rating on the Matrix table is only applied to a player once at the start of their playing life.

The exception would be if:

1. coming back after a long break, or
 2. after injury and that causes their current rating to no longer be reflective of their playing ability, or
 3. a Junior player commencing Senior Pennant, or
 4. depending on results that would qualify the player's adjustment.
- Registered Players may request an adjustment to their Matrix Rating to their own Club Administrator, who will decide if the request is warranted and then forward this request form to the Pennant Administrator for consideration and processing.
 - Requests for Matrix adjustment will only be accepted by completion of this Matrix Adjustment Request Form posted or faxed to:
Jo Keegan,
Pennant Administrator NSW Squash,
11 Haig ST, Maroubra NSW 2035;
Fax: 9344 9887
 - The Club Administrator will be advised in due course of the outcome of the request.

To: NSW Squash Pennant Administration
