ART

JANUARY 2, 2019  Greg Cook  0

H Here's Wonderland's guide to the best museum exhibitions to see around Massachusetts this winter...

If this is the kind of coverage of arts, cultures and activisms you appreciate, please support Wonderland by contributing to Wonderland on Patreon. And sign up for our free, weekly newsletter so that you don't miss any of our reporting.

Suara Welitoff, "Five years later," 2013, continuously looping video (silent). (Courtesy)

"Suara Welitoff: Right Now This Moment," School of the Museum of Fine Arts at Tufts, Grossman Gallery, Boston, Jan. 23 to April 7, 2019

Twelve videos from the past five years—including three new works—by the Cambridge artist known for slowing and looping historic films, television and the Internet to create surreal poetic moments.
