

Table Stakes: The Best of Los Angeles Food and Drink

June 2015

Santa Monica

Forma

Short for "formaggio," Forma lays down the lactose. Cheese plates from Camembert to taleggio meticulously paired with sweet and savory jams, nuts and fruit. Don't sleep on the chewy *cacio e pepe*, made in a colossal wheel of pecorino romano so rich and soothing you can't operate heavy machinery after. A meal so fulfilling you'll forget the horror of finding parking off Montana.
