L'APICIO

GATHER AROUND OUR TABLE.

Opened in October 2012, L'Apicio is an Italian-inspired restaurant by Epicurean Group, the team who brought you dell'anima, L'Artusi, and Anfora in the West Village. Borrowing its name from the celebrated 18th century Italian cookbook, *L'Apicio Moderno*, we bring modern Italian food to the East Village along with a thoughtful cocktail and wine program.

Our versatile venue allows for events of all sizes; we will work with you to find a private dining option that suits your needs. We can accommodate small, intimate groups, as well as larger events.

Enclosed you will find space options and pricing. Our culinary team can also accommodate any dietary restrictions. If you have any questions or concerns, do not hesitate to contact us. We look forward to hosting your next event.
