

Name: _____

Period: _____

Ray of Hope

Directions: Answer the following questions by using complete sentences after watching ESPN's "Ray of Hope".

1. How many people did Jason Ray help through organ tissue and donation?
2. How did Jason register as a donor and why did he want to be a donor?
3. How did Jason's family feel about organ donation?
4. Which organs did the four men receive?
5. What were some factors that were required for Ronald (the heart recipient) to receive a heart?
6. The donation process is confidential. How did the recipients guess who their donor was in this case?
7. How many people were on the national waiting list at the time of Jason's death?
8. Have you ever thought about being an organ donor? Has this video changed or solidified your decision to be an organ donor?
9. If you received an organ through donation, would you want to know the donor? Why/why not?
10. If someone in your family donated their organs, would you want to know who the recipients were?
