Pre-requisites

1. Basic Requirements

High Speed Internet

As our Certified Ecommerce Professional is an e-learning program , it consists of high quality practical videos. So we recommend you to use high speed internet to load the videos without any hassle.

Internet Knowledge

You should have a basic knowledge about the internet systems & terminologies and also basic knowledge of internet platforms like Facebook, Google, LinkedIn, etc to cope up in learning process.

Required Devices

As the course contains more practical videos we recommend you to have a Laptop / PC / Smartphone to study and practice the courses.

2. Technical Specifications

We recommend you to meet the minimum requirements:

Browser

An up-to-date version of Chrome is strongly recommended.

We also support the latest versions of Firefox, Safari, Opera and Microsoft Edge. At this time, most features, including Classroom, Knowledge, and Student Hub, are supported on mobile web.

Internet Connectivity

Download: 2+ Mbps recommended; minimum 1 Mbps.

Upload: 0.5 Mbps.

Mobile Data: Reliable Wi-Fi or cellular data connection.

Operating System

PC: Windows 7 or higher with the latest updates installed (note: Internet Explorer is not supported).

Mac: OS X 10.11 or higher with latest updates installed.

Linux: Any recent distribution that has the supported browsers installed.

Ubuntu: 17.10+ or 14.04 LTS+.

Hardware

Each course and program has its own specific hardware requirements in terms of processing power, hard drive space and any external hardware. Please refer to the program's individual overview page for additional info.

YouTube

Ability to watch YouTube videos is required. If YouTube is blocked on your network, please contact your IT support or internet provider.

If you do not use the HTML5 player, we recommend Adobe Flash Player v28.

If you do not use the HTML5 player, we recommend Adobe Flash Player v28.

Google Account

Required for Webcasts, one on one appointments, and exit interviews

If you have a Gmail or YouTube account, that same login can be used to access all of Google's features.

How do I download my course content?

The course contents are accessible at anytime in your dashboard and the download of contents is strictly prohibited.

How do I access subtitles?

All the course videos have English subtitles. To access the subtitles click the “cc” button in the classroom video player and you can view the subtitle.

Assignments & Reviews

How do I resolve the error message I got when attempting to submit my assignment?

You can zip your assignment file and try to upload it again.

When will my assignment be reviewed?

Assignment reviews are often completed within 7 working days. Due to the high volume of submissions and the time it may take your reviewer to give personalized feedback, the turnaround period for project evaluations may be up to 10 days.

Who grades CEP assignments?

Indian Institute of Ecommerce reviewers are skilled professionals working in successful ecommerce companies.

What happens if my assignment requires changes?

If your assignment requires changes, your reviewer will leave you plenty of feedback to help you. Once you feel you've made the required corrections, resubmit your assignment.

Career Services

Does IIEC offer career services?

Yes. You can check our career services at www.iiec.edu.in/career.

Does IIEC guarantee that I will find a job after completing the CEP program?

No. While the CEP programs provide you with real-world skills needed within the applicable industry, there are many factors involved in the hiring practices of other companies as well as the job market generally, and we cannot make any guarantee that you will find a job after completing our CEP program.

What kinds of jobs do IIEC students get?

Students have found jobs as operations manager, web developers, Social media managers, data analysts, instructors, backend managers and more. They work at a variety of companies, from Fortune 500 establishments like Google and AT&T, to startups like Nest.

Can you help me with a work visa?

IIEC does not offer any assistance or legal advice pertaining to immigration, work visas, or employer sponsorship. We encourage you to reach out to a lawyer if you have any questions.

Mentor Benefits

When will I have session scheduled with my mentor ?

Once you enrol in the Certified Ecommerce Professional program , you get connected to our mentor for a 30 minute mentorship session.

How do I connect to my mentor if I have any queries ?

You can email us your query at support@iiec.edu.in and we shall connect the mentor if required to assist you.

Payment and Billing

Can I switch my currency for payment?

Yes. You can mail us and mention which currency you require to purchase the course at info@iiec.edu.in.

How do I get a receipt or invoice for my purchase of CEP

As you purchase the course online, you automatically get a system generated receipt and the complete order details mentioned in it in your registered email id.

How much do Certified Ecommerce Professional cost?

The Certified Ecommerce Professional program fee is INR 25000 inclusive of all taxes. The fee can be paid one time or in EMI upto 24 months.

Does Udacity offer discounts or coupons?

While we don't offer discounts directly, once you've created an IIEC account you will be able to receive occasional special promotional offers via email.

What is your refund or cancellation policy?

We do not offer refund or cancellation to the students once they enrol in the course.
