

Certification Requirements

Your Attendance Certificate

If you complete each of the lessons and successfully complete the lesson tests, then you will receive a certificate of attendance.

To become a Certified Dog Bite Prevention Educator, you will need to do the following:

1. Pass the final test
2. Submit your skill videos
3. Complete your signs of stress and signs of joy worksheet.

Follow the instructions below.

Your Final Test

You will find a link to your test in this module.

1. You will first be asked to set up an account with a user name and a password. This is because the system lets you leave the test and then log back in
2. You will also be asked for a Test Password. This is "BiteEducator"
3. You may take the test 2 times. If you fail it twice, then please email us for additional instructions.
4. You have 90 minutes to take the test and it has 40 questions. You will receive an email within 1 hour with your score. The required pass grade is 85%.

Your Two Skill Videos

Please prepare the following videos.

1. Video One. Prepare an approx. 30 second video of a consent test of a dog with a human. This video should be designed in a similar way to the one you watched during the presentation. The person should be sitting down and the dog is approaching. The test is completed and narrated by you showing that you know how to do a test and to interpret the communication accurately.
2. Video Two. Prepare an approx. 30 second video of a second consent test with a different human, if you used a female in the first test then please use a male in the second. This time the human should be standing. The video is completed and narrated by you showing that you understand how to not only use emotional contagion but to narrate what is happening.
