

18 Great Late Night Bites in Williamsburg and Greenpoint

Meatballs at The Meatball Shop

The menu here is pretty straightforward: pick a meatball, pick a sauce, then pick a delivery vehicle—polenta, a crusty baguette, soft brioche, a bed of green, a bowl of spaghetti. No matter how you choose to eat them, the meatballs are solid: juicy, well-seasoned, and tasty, if not life-changing. Very good with cheap beer.
