

AEONIUM 'KIWI'

## IDEAL LIGHT

Full sun to partial shade

## WINTER HARDINESS

Not frost tolerant - protect from freezing

## PROPAGATION METHODS

Cuttings, offsets, and seeds (difficult)

## WATER NEEDS

Water only when soil is dry

## MATURE SIZE

3 feet tall | 3 feet wide

## ADDITIONAL NOTES

This beautiful succulent has green and yellow rosettes, with pink around the edges. It has yellow blossoms in the summer.

'Kiwi' is monocarpic, meaning that after it flowers, it will die. However, as it easily propagates from stem cuttings and offsets, you will be able to enjoy this plant for years to come.
