SQUASH MATRIX – ENTERING RESULTS

ENTERING RESULTS ON THE MATRIX:

- Results must be entered into the Matrix by 12 noon each Saturday.
- Failure to enter results by 12 noon each Saturday will incur a fine of \$10 per result up to a maximum of \$40.
- All Clubs administrators or delegates must enter their own results.
- The Pennant Administrator will not be entering clubs results.
- Results can be entered onto the Matrix by your personal login number. Club Administrators may phone or email the Pennant Administrator if there is a problem entering the Matrix system.
- Weekly results sheets and point scores can be printed off from the club admin password and are not to be printed off before 12 noon Monday. This allows the system to be updated from weekend results in matrix order.

SQUASH MATRIX – CLUB USERS

1. Help

If you have any queries about the competition please contact the Pennant Administrator in the normal way.

If you have problems, queries or suggestions *about the operation of the Matrix*, please contact the Pennant Administrator.

2. Log On

Club Users must log on to the Matrix with a club administration user logon. This is different from the MyMatrix logon. The web address is www.squashmatrix.com/admin

Enter your username and password. These are case sensitive, so check the spelling carefully. Click Logon.

- You cannot change your password yourself – if you forget it or think it has been compromised, please contact the Pennant Administrator.
- At any time you can log off by simply closing your browser window or by selecting a non-Matrix web page.

3. Menus

You will be presented with a menu of functions. The Matrix functions are under regular development and we will be introducing new functions from time to time. The currently relevant functions are:

- Result Sheets
- Teams Contact Report
- Players Contact Report

At any time you can return to these menus by clicking on the word Admin in the top left corner of the screen.

As a club user you will only be able to access reports for the specific club for which you are logged on.

4. Navigation

When navigating the Matrix screens, always use the blue links or specific buttons.

Never use the BACK button on your browser - the Matrix system will not know where you are and this may cause errors.

When you are using Event-specific functions, make sure you are in the correct Event – if necessary, click on the Event name at the top of the screen and you will see a drop down list at the right hand side.

5. Printing

When you request a report for printing, the Matrix generates this as a PDF file and uses your Adobe PDF Reader to display it.

PDF documents are used very widely, and most systems will have a PDF reader installed. If you do not have one, go to www.adobe.com/products/acrobat/readermain.html for a free download.

For printed reports, select the menu items with the PDF logo.

When the reports are displayed, they include a toolbar with a print icon. This leads to your standard print dialogue.

6. Result Sheets

Results sheets are displayed for all club teams playing for the specific week. When you click on Result Sheets, you will be asked to select the date.

If you want to send messages to your players, you can add them to the sheets by typing them in the Comments box.

These will be displayed at the top of each sheet along with any central messages specified by the Pennant Administrator. Click on Display Results Sheets (at right) to display the sheets. To print, click on the relevant print button.

8. Contact Reports

There are two reports, Teams Contact Report and Players Contact Report, which give the contact details registered for teams and players respectively. The Teams Contact Report is for the current Event only.

PRIVATE CLUB ADMITTANCE

Due to NSW Government regulations regarding licensed clubs, identification may be required to gain admittance. This mainly concerns young players.

At **Norths Leagues Club** it is preferable to know in advance if anyone under 18 is playing so that alternative access to the Squash Courts can be arranged. This can be done by contacting the team captain.

REFEREE SINGLES RULES - BRIEF SUMMARY OF CHANGES

Nothing major after 13 years
Simpler language & 50% fewer words
Words in *italics* are explained in definitions
Words in **bold** are for emphasis

No let is allowed for any unusual bounce

The Marker's call of: "*10-all: a player must win by 2 points*" is called only for the first time in a match

New definitions

- Fair view
- Further Attempt
- Good Return
- Winning Return
- Wrong-footed

Start match on time

Referee may award the match to a player whose opponent is not on court ready to play within the time stated in the competition rules (was 10 minutes)

Scoring

Point-A-Rally to 11 is the official scoring system

Point-A-Rally to 15 and HiHo (traditional 9-point scoring) are alternatives in an Appendix

Serve

- Server must not serve before the receiver is ready
- A "corkscrew" serve that hits the front wall and side wall at the same time, is a fault
- If the ball is served from the wrong box, result of rally stands, then alternate next serve

Marker's call on a service fault

"Fault" is the only call:

- If the served ball hits the service line or goes out or down, or is a fault in any way
- If the server has part of a foot on a boundary of the service box

Swing

1. Exaggerated swing to try to earn a Stroke – can be a Let, but is never a Stroke
2. Excessive swing – if interference is caused by using an excessive swing - must be a No let

Racket knocked out of non-striker's hand

If this happens due to contact during the striker's effort to reach the ball, the non-striker may request a let, then Rule 12 (Distraction) applies [but it's not an automatic let]

Distraction

If the opponent deliberately distracts the striker, the Conduct rule must be applied

Noise

Referee is not to ask the crowd to be quiet and players are expected to continue play
A let may be allowed if there is a 'loud or isolated noise'

Illness

If a player vomits on court, that player loses the match if the court is unplayable

Bleeding – Time allowed

"Reasonable" time - as decided by the Referee

Injury – Time allowed

1. Self-inflicted:

3 minutes (no change)

2. Contributed to by both players:

- 15 minutes plus another 15 minutes if the Referee decides this way
- If cannot play on - match to the injured player's opponent

3. Caused by Opponent:

- If caused accidentally:
 - Apply the Conduct Rule
 - Injured player is allowed 15 minutes
 - If cannot play on - match to the injured player
- If caused by deliberate or dangerous play or action:
 - If the injured player can continue - Conduct Rule against the opponent
 - If cannot play on - match to the injured player
 - If there is any bleeding – match to the injured player

Examples of Injury situations

- Self-inflicted: John twists around to chase the ball and trips. He then stops and grabs his ankle
- Accidental: John's racket slips out of his hand and hits Mary in the back of the head
- Deliberate: John again runs into Mary's back and knocks her over
- Dangerous: John turned and deliberately hit the ball too close to Mary

Conduct

Penalties may also be awarded during the warm-up and after a match
Referee must complete documentation.

- 3.5.1 The CDC and/or Pennant Administrator have the power to accept, alter or reject any requested changes to the order of merit. Refer By-Law 4.1.12 Player Matrix Adjustment Request.

4.0 MATCHES

4.1 COMPETITION PLAY

- 4.1.1 The home club shall be responsible for all court hire.
- 4.1.2 At the beginning of each match, the home team shall provide one new ball as approved by NSW Squash Limited. Should the ball break or otherwise be replaced in accordance with the WSF Rules, the home team will supply a further ball as approved by NSW Squash Limited.
- 4.1.3 Unless By-Law 4.5 applies, all four rubbers shall be played on the same day/ night and no alteration shall be made to the venues, dates or times set down for matches unless with the previous consent of the Pennant Administrator. If a change is requested, it is the responsibility of both team Captains to contact the Pennant Administrator. Failure to make such contact may result in both teams receiving no points for that match. The CDC may impose a further penalty.
- 4.1.4 All players from the beginning of the season will be placed in matrix order. Players will then play in order of matrix each week shown on result sheets on the night.
If previous week's results are not in by the time the sheets are printed, then players play in the order of matrix that is on the sheet (refer By-Law 4.9 Results – penalties apply for Results not received correctly). (refer By-Law 4.1.11 Playing in Matrix order).
- 4.1.5 Four (4) players from each team shall compete in a match and each player shall play a rubber against one of the opposing team. In each match the No. 1 player from each team will play each other, the No. 2 players will play each other, and so on.

- 4.1.8 When a rubber is in progress and one player leads by 2 games (i.e. 2-1 or 2-0), the appropriate captain (refer By-Law 4.1.7) must advise which number players are to go on next, and the nominated players must be ready to start their rubber as soon as the court is vacant, and if not ready within 10 minutes then By-Law 4.4.7 shall apply.

- 4.1.9 In home and away matches each team shall provide a marker or referee alternately for each rubber. The home team shall provide the referee of the first rubber and the visiting team shall provide the marker. - 4.1.11 If a team has not played in the correct matrix order of merit, it shall receive no points for all rubbers played out of order. Those points shall be awarded to the opposing team.

4.1.12 PLAYER MATRIX ADJUSTMENT REQUEST:

- (i) coming back after a long break, or
- (ii) after injury and that causes their current rating to no longer be reflective of their playing ability, or
- (iii) a Junior player commencing Senior Pennant, or
- (iv) depending on results that would qualify the player's adjustment.

Club Administrators are required to complete the Matrix Adjustment Request Form available on the www.nswsquash.com.au website (Sydney Pennant link) and forward to the Pennant Administrator for consideration and processing.

4.2 SCORING

- 4.2.1 Each pennant competition rubber is the best of 5 games, using the Point-A-Rally (PAR) scoring system.
- 4.2.2 Premier Grade teams will use the PAR 11 point scoring system. Sydney 1 and 2 teams will use PAR15 point scoring system.
- 4.2.3 All District Divisions will use PAR 15 point scoring system. The player who scores 15 points first wins the game except that if the score reaches 14-all, the game continues until one player leads by two points.
- 4.2.4 For tournaments conducted by NSW Squash the PAR 11 point scoring system will apply.
- 4.2.5 For all matches played during the competition the following point system will apply:
- | | |
|-------------------|--------------------|
| 6 pts for 3-0 win | 2 pts for 2-3 loss |
| 5 pts for 3-1 win | 1 pt for 1-3 loss |
| 4 pts for 3-2 win | 0 pts for 0-3 loss |
- Plus an additional 4 points to the winning team.
- 4.2.6 A winning team is the team which at the end of four rubbers has won:
- (i) the most rubbers. If rubbers are equal;

- (ii) the most games. If games are equal;
- (iii) the most points. If points are equal;
- (iv) the match will be deemed to be drawn.

4.3 DISTRICT DIVISION RESERVES (refer 4.10.6 for Major Grade Reserves Rule)

- 4.3.1 A district player may not reserve more than seven (7) matches in a higher and/or lower grade without penalty. If that player then plays eight (8) or more matches, that player and the team will receive no points for that rubber. Those points will be awarded to the opposing team.
- 4.3.2 In District Divisions a player may play a position up as well as their own e.g. No. 4 can play at No. 3, No. 3 can also play at No 2 and No 2 can play at No. 1. A higher player cannot play lower (e.g. No. 2 cannot play No. 3 etc.). A player shall only be permitted to play a total of two rubbers in that match. (eg a player cannot play 3 rubbers in the one match). Applies to rounds only and not finals series.
- 4.3.3 District Division Matrix Reserve rule: Teams may get a reserve that has the SAME matrix or LESS from ANY team from any Club to replace your unavailable player. Reserves must play in matrix order within the team. (eg. If your No. 1 with a matrix of 160.38 is out on the night you may find a reserve to replace him with 160.38 or LESS to play at No. 1 or if your No. 3 has a bigger matrix than your reserve then this player moves up and the reserve plays at No 3. This allows teams to use the matrix to find the reserve player.
- This rule applies to Round matches only. (refer By-Law 4.8.5 for semi-final, final and grand final reserve requests)
- 4.3.4 If a registered player has not played four (4) matches **or three (3) matches where there is a bye** by Round 8 then a reserve cannot replace this player.

4.4 FORFEITS

- 4.4.1 Each of the four rubbers in a match must either be played or forfeited. A player may not concede a rubber except through injury sustained during a rubber or a personal emergency necessitating leaving the venue.
- 4.4.2 After a rubber has commenced, a player must not stop playing in that rubber and play a rubber in any other position. This will be treated as a forfeit for all the rubbers concerned.
- 4.4.3 For all forfeits, the points are awarded to the opposing team and a penalty as decided by the CDC will be determined for each rubber forfeited. If any team gives a full team forfeit, all rubbers, games and points shall be awarded to the opposing team.
- 4.4.4 Where a forfeit occurs, "forfeit" is to be written on the result sheet instead of the name of the player who forfeited, and the opposing player is to be recorded as winning the match. If a

player's name is written on the result sheet this is a statement that the player played that match. Any falsification of a result will incur a severe penalty as decided by the CDC. A player claiming a forfeit must be present at the court ready and capable of playing (refer By-Law 4.1.6) otherwise it will be considered that both players have forfeited.

- 4.4.5 Any team with excessive forfeits may be asked by the CDC to justify why that team should not be withdrawn from the competition. Any team withdrawn may be fined by the CDC (in addition to any fines already incurred).
- 4.4.6 Any team withdrawing or being withdrawn from the competition shall create a BYE within that grade. The Committee may readjust points already scored against this team.
- 4.4.7 If play in a match has not commenced within 10 minutes of the specified starting time as stated in the Competition Draw, the team at fault may lose the nominated rubber. Ten (10) minutes shall be allowed after each rubber for the next rubber to commence. If play does not commence at the end of this time, the defaulting team may lose a further rubber or rubbers as nominated by the opposing team captain. It is the opposing team captain who decides whether to claim a forfeit.
- 4.4.8 Forfeit(s) before the commencement of a match:
 - (i) if before a match commences, a team forfeits a rubber, the team must forfeit firstly at the No. 4 position and the remaining players must move up and play in the correct order;
 - (ii) if more than one rubber is forfeited, the team must forfeit at No. 4 position first, No. 3 position next, and so on (refer By-Law 4.3.2 to avoid forfeits).
- 4.4.9 Forfeit(s) after the commencement of a match:
 - (i) if after a match has commenced, a team forfeits at the No. 4 position then the team will score no points for that rubber;
 - (ii) if after a match has commenced, a team forfeits a rubber or rubbers at positions No. 1, 2 or 3 then the team will score no points for the rubber or rubbers forfeited at positions No. 1, 2 or 3 and in addition will score no points for the rubber played at No. 4 position. The penalty forfeit at No. 4 position does not apply if the player or players who have been forfeited subsequently arrive at the courts prepared and capable of playing (refer By-Law 4.1.6) before play in the last rubber has ceased and the forfeit fine will not be imposed. However the forfeited player is not permitted to then play the match.
- 4.4.10 Forfeits shall result in severe penalties as decided by the CDC. Refer NSW Squash Fees and Fines Schedule. (refer By-Law 4.3.2 to avoid forfeits).

4.5 DELAYED MATCHES

- 4.5.1 Completed rubbers shall not be replayed and results shall stand (unless By-Law 1.3.11 applies).
- 4.5.2 If after a rubber has commenced it is necessary to transfer that rubber to a different court on the same day or on a different day, the score shall stand.
- 4.5.3 In case of a power failure, every effort should be made to complete the match on the night.
- 4.5.4 Postponed matches ARE NO LONGER PERMITTED.

4.6 MARKING AND REFEREEING

- 4.6.1 All matches must be marked and refereed in accordance with the WSF Rules of Squash.
- 4.6.2 Players are not permitted to request a change of referee or marker (WSF Rule 15.5).

- 4.6.4 Attendance at Rules Presentations:
 - One team player attending - 14 bonus points.
 - Two or more team players attending - maximum 28 bonus points.

A player competing in two districts attendance will be counted towards receiving bonus points for each team. (qualified referees are welcomed but not required to attend – bonus points apply).
- 4.6.5 If the behaviour of any spectator, official, manager or coach is disruptive to the continuity of play, the Referee shall suspend play until the disruption has ceased. If necessary, play should be suspended until the offending person has left the court area (WSF Rule 20.2.3).

- 4.7.4 The 3 teams in each division with the greatest number of premiership points at the end of the home and away matches, shall play finals series matches. The team finishing first goes directly to the grand final and plays the winner of the final (the teams that finished second and third). If two or more teams are equal on points for third position (or any other position), and it is necessary to decide which of those teams shall play in any final match, the positions of those teams shall be determined by means of a count back by comparing the record of each team in terms of the criteria listed below (the criteria to be applied successively until a decision is

reached) so the team with the highest position in the competition shall be the team which, in descending order:

- (i) has won the most matches (a tied match being counted as a half a win);
- (ii) has won the most rubbers;
- (iii) has won the most games;
- (iv) has won the most points;
- (v) has lost the least rubbers;
- (vi) has lost the least games;
- (vii) has lost the least points.

- 4.7.5 In semi-final, final or grand final matches the team captains shall toss a coin and the team losing the toss shall be deemed to be the home club, and the provisions of By-Law 4.1.7 shall apply regarding the order in which rubbers are played.
- 4.7.6 Any drawn semi-final, final match must be replayed. The Pennant Administrator will decide the venue (as in By-Law 4.7.2). A drawn grand final may be replayed, or joint winners may be declared if both team captains agree.

- 4.8.5 All reserves for finals series matches must be requested in writing on the prescribed form and approved by the Pennant Administrator. The reserve's matrix must be LOWER than the **fourth lowest qualified** registered number 4 player in the team and have played 6 matches (5 if there is a bye in their grade).
