

Orchard Barn, Southings Manor Farm – Directions

Although the postcode is HP2 6HX, it is best to use **SAT NAV HP2 6HU** which takes you to West Dene, a road turning immediately opposite the entrance to the Farm.

When you get to the farm entrance there is an electric gate. You need to press the buzzer for Southings Manor Farm and the owner should then be able to let you in.

When you go through the gates drive along and take the left fork to the side of the main house.

See map below

See photos on the next page showing the approach from the south (Hemel) or the north (Studham)
