## NYC's The Meatball Shop + Roy Choi = Baller Party

By Lesley Balla  
August 22, 2013

Talk about some ballers. Daniel Holzman and Michael Chernow, the guys from New York City's famed Meatball Shop, will team up with Roy Choi for a one-night-only pop-up at [Sunny Spot](#) in Venice on September 7. The three will serve signature items, sides and salads from The Meatball Shop menu plus a special ball from Choi, and if that's not dude-cool enough, Vans sneakers has designed a limited-edition shoe for the event. Who knows, maybe you'll even win a pair for yourself. The event is first-come, first-serve - no reservations necessary - from 5 PM-2 AM (822 Washington Blvd.; 310.448.8884).
