Meatball Shop Wins Meatball Madness!

by James Mulcahy

Tonight over 25 chefs kicked off the **New York City Wine and Food Festival** with a battle supreme over who makes the best meatballs at the annual Meatball Madness blowout. Last year's winner (and new mom to boot) **Donatella Arpaia** was in the house to defend her title, but this year **Daniel Holzman** and **Michael Chernow** of the **Meatball Shop** got the true glory by winning the People's Choice Award. **Joey Campanaro** of **The Little Owl** was the Judge's Choice, besting **Pulino's** in a close contest. There's some meatballs! Stay tuned for a recap tomorrow, right now we have to walk off the five or so pounds we just gained.
