Let's face it; as we get older, Halloween is all about the cocktails.

Trick or treat, give me something good to...drink? Let's face it; as we get older, Halloween is all about the cocktails. Whether you're dressed as the infamous Christian Grey or Captain America, the highlights of the night are the creative (and sometimes ghoulish) drinks. Restaurants and bars throughout New York have created their own spooky and delectable cocktails that will entice and inspire anyone, no matter where you are on Halloween.

As a child, we all loved candy corn, but [The Meatball Shop](#) has whipped up a liquefied adult version with the Candy Corn Jell-O Shots, which are made with Pinnacle Whipped Vodka different flavors of Jell-O, as if the candy version were not enough. Other creative Halloween
