

# Burger City Guides: 20 Chefs Share Their Favorite Burgers in NYC

We talked to 20 New York City chefs to get the scoop on their favorite burgers in the city. Click through the slideshow to see them all, or check out the links below:

## Daniel Holzman | Peter Luger Steakhouse

"I LOVE the burger at Peter Luger. Why? Because it's so damn good. I'm a huge fan of a blood rare burger, but not many places can pull it off. The quality of the meat is what makes the burger at Peter Luger's so special." —[Daniel Holzman](#), executive chef/co-owner of [The Meatball Shop](#)
