## A Correspondence Course with Susun Weed

PO Box 64, Woodstock, NY 12498 (845) 246-8081

This course is designed to draw out and empower your own healing and magical abilities. Your personal development will expand swiftly and deeply during our time together. This course is designed primarily for personal growth, nonetheless, serious students of herbal/alternative/ energy medicine will find it highly beneficial.

### *During your course of study you will:*

- \* Create and use herbal medicines
- \* Seek and find your Goddess archetype
- \* Personally investigate altered states of consciousness such as trances
- \* Gain practice in practical magic
- \* Wildcraft herbs for medicine, magic, and beauty
- \* Grow herbs for your own meals and spells
- \* Deepen your connection with the earth
- \* Discover the mystery and magic of your moontime/post-menopausal powers
- \* Learn to use your hands as exquisite tools of healing
- \* Discover and expand your own powerful abilities to heal yourself, the earth, and others.

### *Your course materials include:*

- \* Twenty-six study and action proposals which you implement and complete at your own pace (with optional written, illustrated, or oral reports to me).
- \* A copy of *Moondays*.
- \* An autographed copy of *Wise Woman Herbal for the Childbearing Year*.
- \* Three hours of "talk" time with me, on the phone or by correspondence.
- \* Your choice of \$100 worth audio visual materials: MP3s, CDs, and DVDs.
- \* A recommended reading list
- \* Initiation and completion gifts.
- \* A graduation certificate for you to frame and hang.
- \* A 10% discount coupon off any books at [www.wisewomanbookshop.com](http://www.wisewomanbookshop.com)
