Watch The Meatball Shop Guys on Chelsea Lately

Friday, January 27, 2012, by [Raphael Brion](#)

Daniel Holzman and Michael Chernow, the guys behind New York City's **The Meatball Shop**, were on *Chelsea Lately* last night, and thankfully the unfunniest host Chelsea Handler wasn't there. Fortunately, the infinitely more competent comedian **Ross Mathews** has been subbing in for her all week. And we get treated to lines like, "What do my next guests, the Super Bowl, and me have in common? **Lots of balls.**" (Balls jokes are inevitable, even on *Martha*.) The Meatball Shop guys just have to roll with it, though. After Mathews says, "I've got to get these balls in my mouth!", they say, "That's amazing... It never ends, it's one of those jokes that will never end."
