

GRAPTOVERIA 'DEBBIE'

IDEAL LIGHT

Prefers full sun

WINTER HARDINESS

Not old hardy

PROPAGATION METHODS

Leaves, cuttings, seeds, and offsets

WATER NEEDS

Water only when soil is dry

MATURE SIZE

8 inches tall | 8 inches wide

ADDITIONAL NOTES

'Debbie' is an Echeveria hybrid whose rosette shows off a beautiful rose shape.

The tips of the blueish-purple leaves turn pink when stressed. It works well in planters outdoors.
