This week in the F&W Test Kitchen we immersed ourselves in a new book from [The Meatball Shop](#) in NYC. Aside from being absolutely stunning, it's full of casual, delectable recipes, including the super-clever Mini Buffalo Chicken Balls seen here. These phenomenal little bites were perfectly spicy and served with homemade blue cheese dressing and celery. Ballantine Books will release [The Meatball Shop](#)

[Cookbook](#), by Daniel Holzman and Michael Chernow, in November, but to experiment with the same flavors now, here's a great weekend recipe for [Baked Buffalo Chicken Wings](#).
