AUCTION INFORMATION

Administration Charge Purchasers will be required to pay by cheque, an administration charge of 0.25% or a minimum of £594.00 (£495.00+VAT) or the fixed figure as stated in the property details, in addition to the deposit. A VAT receipt will be issued after the auction.

Attending the Auction It is always wise to allow sufficient time to get to the auction. Legal packs for most of the properties will be available for inspection. It is important you read these and the final addendum/amendment sheet which will also be available as any purchase will be subject to these.

Bidding Each property will be offered individually by the Auctioneer. Ensure that your bids are clear and noticed by the Auctioneer. If you are successful in bidding for the property you will be approached by a member of Auction House staff who will request your personal information and identification. You will then be guided to our administration area and then the cashier desk for payment of the deposit.

Bidding by Proxy or Telephone If you are unable to attend the auction you are invited to contact us to discuss special arrangements for bidding by proxy or telephone. A Non-Attending Bid or Telephone Bid form and conditions are included in auction catalogues or can be downloaded from the Bidding Form links on our website.

Buyers Premium Purchasers of some lots will be required to pay a Buyers Premium to the auctioneer in addition to the deposit – see individual property details.

Deposit When you sign the Memorandum of Sale you will be asked to pay a deposit of 10% of the purchase price subject to a minimum deposit of £3,000. Deposits can only be paid by electronic bank transfer, bankers draft, personal cheque or building society cheque. Cash or credit card payments will not be accepted. Please note, should the cheque have to be represented, a processing charge of £60.00 (£50.00 + VAT) will be charged by deduction from the deposit.

Disbursements Some disbursements may become payable by the purchaser on completion, these will be detailed in the Special Conditions of Sale within the property's Legal Pack.

Disclaimer Particulars on the website and within our catalogue are believed to be correct but their accuracy is not guaranteed. Information relating to Rating matters has been obtained by verbal enquiry only. Prospective purchasers are advised to make their own enquiries of the appropriate Authority. All measurements, areas and distances are approximate only. Potential purchasers are advised to check them.

Energy Performance Certificates (EPCs) Where required we include EPC ratings within Full Details and on the lot page within our catalogue. When available EPC Graphs can be viewed online at auctionhouse.co.uk.

General Data Protection Regulations (GDPR) This defines new customer rights and company obligations introduced on 25th May 2018. For full details please refer to the Privacy Policy showing on our website www.auctionhouse.co.uk/southwales.

***Guide Prices** Guide prices quoted online and in the catalogue are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. The sale price will be dependent on bidding in the auction room and on the Vendors' instructions.

Insurance On some properties the seller will continue to insure through to completion. Others will need to be insured by the purchaser, and auctioneers advice to all purchasers is that they should consider insuring from the date of exchange.

Plans, Maps and Photographs The plans, floorplans, maps, photograph's and video tours published on our website and in the catalogue are to aid identification of the property only. The plans are not to scale.

Pre Auction Sales Offers made on property included in this auction may be accepted by the Vendor prior to the auction. In such instances all buyer charges will be payable including the Administration Charge, any Buyers Premium plus all other payments detailed in the Special Conditions of Sale. If you are intending to bid at the auction for a specific lot, we recommend that you keep in contact with the Auctioneer's office.

The Auctioneers or Vendors cannot be held responsible for costs incurred in respect of any lot which is withdrawn or sold prior to auction.

Post Auction Sales If a property you are interested in is not sold during the auction please speak to the Auctioneer and make an offer at, above or below the Guide. Your offer will be put forward to the Vendor and if accepted, you will be able to proceed with your purchase under auction rules. Offers should take into account the Administration Charge, any Buyers Premium plus all other payments detailed in the Special Conditions of Sale as all of these are still payable irrespective of the circumstances.

Proof of Identification In order to comply with Anti-Money Laundering regulations we ask that all prospective purchasers provide Proof of Identity and Residence. Please bring your passport or photographic UK driving licence and a recent utility bill, bank statement or council tax bill to the auction. If purchasing on behalf of a company you will also need a letter of authority on company letterhead. We will carry out Electronic AML checks on successful buyers and remote bidders. It will include a search with Experian who may check the details you supply against any particulars on any database (public or otherwise) to which they have access. They may also use your details in the future to assist other companies for verification purposes. A record of the search will be retained.

Reserve Price Each property will be offered subject to a reserve price which we expect will be set within the guide price range or no more than 10% above a single figure guide. This is a confidential figure set between the Vendor and the Auctioneer just prior to the auction. It is a figure below which the Auctioneer cannot sell the property during the auction. After the auction offers will be sought and considered on Unsold Lots at prices below the reserves.

Solicitors Details The name, address and telephone number of the solicitor who will be acting for you in any purchase will be required before you leave the auction room.

The Catalogue Details of the property and land to be sold are set out in our catalogue and on our website auctionhouse.co.uk All lots are sold subject to Special Conditions of Sale. It is important that prospective purchasers satisfy themselves as to the location, boundaries, condition and state of the lots before the auction.

The Contract The Memorandum of Sale will be signed in duplicate. One copy will be given to you, which you must give to your solicitor. The second copy will be retained by the Vendors' solicitor. Completion usually takes place after 28 days but this date can vary. The legal pack of each property will state the completion date due. The date may also be announced immediately prior to the commencement of bidding of each lot.

The Legal Aspect Buying at auction is a contractual commitment. Before making an offer prior to auction or bidding at the auction or post auction, it is advisable to consult a solicitor regarding the General and Special Conditions of Sale, the local authority search and other legal documentation.

Viewing Due to the nature and condition of auction properties we highlight the potential risk that viewing such properties carries and advise all to proceed with caution and take necessary requirements to ensure their own safety whilst viewing any lot in this catalogue. Viewings are conducted entirely at your own risk, these properties are not owned or controlled by Auction House and we cannot be held liable for loss or injury caused while viewing or accessing any Lot.

Due to the nature of some auction properties, electricity may not be turned on therefore viewing times are restricted. Viewers will also have to bring their own lighting/ladders if wanting to inspect cupboards, cellars and roof spaces.

Anyone not able to attend the auction and wishing to make a bid for any property,
do so on the following terms and conditions:

1. The bidder must complete a separate authority form for each Lot involved, and provide a bankers draft, solicitor's client's account cheque or personal cheque for 10% of the maximum amount of the bid for each Lot. Please note the minimum deposit for any bid is £3,000 PER LOT.
2. The bidder must upload Proof of Identity in the form of a scan of a driving licence or passport, and a scan of a utility bill to the Auctions Passport Service that accesses the property's Legal Pack. Also you authorise Auction House to undertake a search with Experian for the purpose of verifying your identity. To do so Experian may check the details you supply against any particulars on any database (public or otherwise) to which they have access. They may also use your details in the future to assist other companies for verification purposes. A record of the search will be retained.
3. The form must be sent to, or delivered to: Written & Telephone Bids, Auction House South Wales, Gold Tops House, 8A Pentonville, Newport NP20 5HB to arrive before 6pm two working days prior to the start of the auction. It is the bidders responsibility to check that the form is received by Auction House and this can be done by telephoning the office.
4. In the case of a telephone bid the prospective purchaser should provide a blank cheque in the name of the purchaser which the Auctioneer will complete on behalf of the prospective purchaser if the prospective purchaser is successful in purchasing the relevant property for 10% of the purchase price, plus the administration charge or in accordance with the General or Special Conditions of Sale relating to the lot.
5. The bidder shall be deemed to have read the "Important Notice to be read by all bidders"; the particulars of the relevant Lot in the catalogue the general and special conditions of sale. The bidder shall be deemed to have taken all necessary professional and legal advice and to have made enquiries and have knowledge of any announcements to be made from the rostrum of any amendments relating to the relevant Lot. Announcements can and should be checked by bidders on the day before the auction. However, the Auctioneers will advise the bidders of any announcements as soon as possible prior to the Auction.
6. In the case of a written bid, Auction House staff will compete in the bidding up to the maximum of the authorisation. If no maximum is inserted, Auction House reserve the right not to bid.
7. Auction House reserve the right not to bid on behalf of written bidders, in the event of any error, doubt, omission, uncertainty as to the bid, any failure to validate Proof of Identification, or for any reason whatsoever and give no warranty, or guarantee, that a bid would be made on behalf of the bidder and accept no liability.
8. In the event that the written or telephone bid is successful, the Auctioneer will sign the Memorandum of the Contract on behalf of the bidder (a Contract would have been formed on the fall of the hammer).
9. In the event of a Contract, the deposit monies will be applied so far as necessary to meet the requirement for a 10% deposit (minimum £3,000) and the balance of the deposit (if any) will be held by the vendors solicitor pending completion. An Administration charge of 0.25% or a minimum of £594.00 (£495.00 + VAT) should be added to the deposit cheque or a separate cheque should be made payable to Auction House South Wales.
10. In the event that the bidder is unsuccessful in gaining the Contract, the deposit monies shall be returned to the bidder promptly.
11. The Auctioneer will make no charge to a prospective purchaser for this service and will accept no liability whatsoever for any bid not being made on behalf of the prospective purchaser whether through lack of clarity of instructions or for any other reason whatsoever. Prospective telephone purchasers will not hold Auction House liable for any loss or claims relating to the telephone bidding system. The prospective purchaser will be advised if the relevant lot has been successfully purchased on his behalf as soon as possible after the auction. Where the lot has not been purchased the prospective purchaser will be notified by post and the deposit returned as soon as reasonably possible.
12. Once delivered to the Auctioneers, the authority to bid is binding on the bidder on the day on which the particular Lot is auctioned. This is to allow for the possibility of a Vendor agreeing to sell post auction where the bidding has not reached the reserve.
13. The authority can only be withdrawn by notification in writing delivered to Auction House at their office two hours before the start of the auction on the day the relevant Lot is scheduled to be auctioned, or by delivery into the hands of the Auctioneer in the auction room half-an-hour before the start of that day's auction. It is the bidders responsibility to obtain a receipt on a copy of the withdrawal notification signed by one of the Auctioneers and without such a receipt the authority stands, any successful Contract is binding on the bidder.
14. If the bidder, or an agent, actually bids at the auction without having previously withdrawn the authority, the Auctioneer is at liberty to accept such bid in addition to any bid from Auction House staff as empowered under the written authority. Auction House will have no liability whatsoever if the price achieved is the result only of this competition in bidding without intervention from other bidders.
15. Prospective purchasers are advised in respect of telephone bids should they become disconnected during bidding or are unobtainable, Auction House will not be held responsible or liable for any loss suffered in respect thereof. I hereby confirm that I have read and understood the above terms and conditions to bid by letter.

COMMON AUCTION CONDITIONS (EDITION 3)

REPRODUCED WITH THE CONSENT OF THE RICS

INTRODUCTION

The Common Auction Conditions have been produced for real estate auctions in England and Wales to set a common standard across the industry. They are in three sections:

GLOSSARY

The glossary gives special meanings to certain words used in both sets of conditions..

AUCTION CONDUCT CONDITIONS

The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who has a catalogue, or who attends or bids at the auction. They cannot be changed without the auctioneer's agreement.

SALE CONDITIONS

The Sale Conditions govern the agreement between each seller and buyer. They include general conditions of sale and template forms of special conditions of sale, tenancy and arrears schedules and a sale memorandum.

IMPORTANT NOTICE

A prudent buyer will, before bidding for a lot at an auction:

- take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- read the conditions;
- inspect the lot;
- carry out usual searches and make usual enquiries;
- check the content of all available leases and other documents relating to the lot;
- check that what is said about the lot in the catalogue is accurate;
- have finance available for the deposit and purchase price;
- check whether VAT registration and election is advisable;

The conditions assume that the buyer has acted like a prudent buyer. If you choose to buy a lot without taking these normal precautions you do so at your own risk.

GLOSSARY

This glossary applies to the auction conduct conditions and the sale conditions.

Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;
- a "person" includes a corporate body;
- words of one gender include the other genders;
- references to legislation are to that legislation as it may have been modified or re-enacted by the date of the auction or the contract date (as applicable); and
- where the following words are printed in bold type they have the specified meanings.

The date when completion takes place or is treated as taking place for the purposes of apportionment and calculating interest.

AUCTION CONDUCT CONDITIONS

A1 INTRODUCTION

A1.1 Words in bold type have special meanings, which are defined in the Glossary.

A1.2 The catalogue is issued only on the basis that you accept these auction conduct conditions. They govern our relationship with you and cannot be disappled or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can be varied only if we agree.

A2 OUR ROLE

A2.1 As agents for each seller we have authority to:

- (a) prepare the catalogue from information supplied by or on behalf of each seller;
- (b) offer each lot for sale;
- (c) sell each lot;
- (d) receive and hold deposits;
- (e) sign each sale memorandum; and
- (f) enter a contract as repudiated if the buyer fails to sign a sale memorandum or pay a deposit as required by these auction conduct conditions.

A2.2 Our decision on the conduct of the auction is final.

A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

A3 BIDDING AND RESERVE PRICES

A3.1 All bids are to be made in pounds sterling exclusive of any applicable VAT.

A3.2 We may refuse to accept a bid. We do not have to explain why.

A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.

A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.

A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller's behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the seller.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the seller may fix the final reserve price just before bidding commences

A4 THE PARTICULARS AND OTHER INFORMATION

A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. The particulars are based on

information supplied by or on behalf of the seller. You need to check that the information in the particulars is correct.

A4.2 If the special conditions do not contain a description of the lot, or simply refer to the relevant lot number, you take the risk that the description contained in the particulars is incomplete or inaccurate, as the particulars have not been prepared by a conveyancer and are not intended to form part of a legal contract.

A4.3 The particulars and the sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A4.4 If we provide information, or a copy of a document, provided by others we do so only on the basis that we are not responsible for the accuracy of that information or document.

A5 THE CONTRACT

A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.

A5.2 You are obliged to buy the lot on the terms of the sale memorandum at the price you bid plus VAT (if applicable).

A5.3 You must before leaving the auction:

- (a) provide all information we reasonably need from you to enable us to complete the sale memorandum (including proof of your identity if required by us);
- (b) sign the completed sale memorandum; and
- (c) pay the deposit.

A5.4 If you do not we may either:

- (a) as agent for the seller treat that failure as your repudiation of the contract and offer the lot for sale again: the seller may then have a claim against you for breach of contract; or
- (b) sign the sale memorandum on your behalf.

A5.5 The deposit:

- (a) is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller, but otherwise is to be held as stated in the sale conditions; and
- (b) must be paid in pounds sterling by cheque or by bankers' draft made payable to us on an approved financial institution. The extra auction conduct conditions may state if we accept any other form of payment.

A5.6 We may retain the sale memorandum signed by or on behalf of the seller until the deposit has been received in cleared funds.

A5.7 If the buyer does not comply with its obligations under the contract then:

- (a) you are personally liable to buy the lot even if you are acting as an agent; and
- (b) you must indemnify the seller in respect of any loss the seller incurs as a result of the buyer's default.

A5.8 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

A6 EXTRA AUCTION CONDUCT CONDITIONS

A6.1 Despite any special condition to the contrary the minimum deposit we accept is £3,000 (or the total price, if less). A special condition may, however, require a higher minimum deposit.

GENERAL CONDITIONS OF SALE

Words in bold type have special meanings, which are defined in the Glossary

G1. THE LOT

G1.1 The lot (including any rights to be granted or reserved, and any exclusions from it) is described in the special conditions, or if not so described the lot is that referred to in the sale memorandum.

G1.2 The lot is sold subject to any tenancies disclosed by the special conditions, but otherwise with vacant possession on completion.

G1.3 The lot is sold subject to all matters contained or referred to in the documents, but excluding any financial charges: these the seller must discharge on or before completion.

G1.4 The lot is also sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot or from the documents: (a) matters registered or capable of registration as local land charges;

(b) matters registered or capable of registration by any competent authority or under the provisions of any statute;

(c) notices, orders, demands, proposals and requirements of any competent authority;

(d) charges, notices, orders, restrictions, agreements and other matters relating to town and country planning, highways or public health;

(e) rights, easements, quasi-easements, and wayleaves;

(f) outgoing and other liabilities;

(g) any interest which overrides, within the meaning of the Land Registration Act 2002;

(h) matters that ought to be disclosed by the searches and enquiries a prudent buyer would make, whether or not the buyer has made them; and

(i) anything the seller does not and could not reasonably know about.

G1.5 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against that liability.

G1.6 The seller must notify the buyer of any notices, orders, demands, proposals and requirements of any competent authority of which it learns after the contract date but the buyer must comply with them and keep the seller indemnified.

G1.7 The lot does not include any tenant's or trade fixtures or fittings.

G1.8 Where chattels are included in the lot the buyer takes them as they are at completion and the seller is not liable if they are not fit for use.

G1.9 The buyer buys with full knowledge of:

- (a) the documents, whether or not the buyer has read them; and

COMMON AUCTION CONDITIONS (EDITION 3)

REPRODUCED WITH THE CONSENT OF THE RICS

- (b) the physical condition of the lot and what could reasonably be discovered on inspection of it, whether or not the buyer has inspected it.
- G1.10 The buyer is not to rely on the information contained in the particulars but may rely on the seller's conveyancer's written replies to preliminary enquiries to the extent stated in those replies.
- G2. DEPOSIT**
- G2.1 The amount of the deposit is the greater of:
- (a) any minimum deposit stated in the auction conduct conditions (or the total price, if this is less than that minimum); and
 - (b) 10% of the price (exclusive of any VAT on the price).
- G2.2 The deposit
- (a) must be paid in pounds sterling by cheque or banker's draft drawn on an approved financial institution (or by any other means of payment that the auctioneers may accept); and
 - (b) is to be held as stakeholder unless the auction conduct conditions provide that it is to be held as agent for the seller.
- G2.3 Where the auctioneers hold the deposit as stakeholder they are authorised to release it (and interest on it if applicable) to the seller on completion or, if completion does not take place, to the person entitled to it under the sale conditions.
- G2.4 If a cheque for all or part of the deposit is not cleared on first presentation the seller may treat the contract as at an end and bring a claim against the buyer for breach of contract.
- G2.5 Interest earned on the deposit belongs to the seller unless the sale conditions provide otherwise.
- G3. BETWEEN CONTRACT AND COMPLETION**
- G3.1 Unless the special conditions state otherwise, the seller is to insure the lot from and including the contract date to completion and:
- (a) produce to the buyer on request all relevant insurance details;
 - (b) pay the premiums when due;
 - (c) if the buyer so requests, and pays any additional premium, use reasonable endeavours to increase the sum insured or make other changes to the policy;
 - (d) at the request of the buyer use reasonable endeavours to have the buyer's interest noted on the policy if it does not cover a contracting purchaser;
 - (e) unless otherwise agreed, cancel the insurance at completion, apply for a refund of premium and (subject to the rights of any tenant or other third party) pay that refund to the buyer; and
 - (f) (subject to the rights of any tenant or other third party) hold on trust for the buyer any insurance payments that the seller receives in respect of loss or damage arising after the contract date or assign to the buyer the benefit of any claim;
- and the buyer must on completion reimburse to the seller the cost of that insurance (to the extent not already paid by the buyer or a tenant or other third party) for the period from and including the contract date to completion.
- G3.2 No damage to or destruction of the lot nor any deterioration in its condition, however caused, entitles the buyer to any reduction in price, or to delay completion, or to refuse to complete.
- G3.3 Section 47 of the Law of Property Act 1925 does not apply.
- G3.4 Unless the buyer is already lawfully in occupation of the lot the buyer has no right to enter into occupation prior to completion.
- G4. TITLE AND IDENTITY**
- G4.1 Unless condition G4.2 applies, the buyer accepts the title of the seller to the lot as at the contract date and may raise no requisition or objection except in relation to any matter that occurs after the contract date.
- G4.2 If any of the documents is not made available before the auction the following provisions apply:
- (a) The buyer may raise no requisition on or objection to any of the documents that is made available before the auction.
 - (b) If the lot is registered land the seller is to give to the buyer within five business days of the contract date an official copy of the entries on the register and title plan and, where noted on the register, of all documents subject to which the lot is being sold.
 - (c) If the lot is not registered land the seller is to give to the buyer within five business days an abstract or epitome of title starting from the root of title mentioned in the special conditions (or, if none is mentioned, a good root of title more than fifteen years old) and must produce to the buyer the original or an examined copy of every relevant document.
 - (d) If title is in the course of registration, title is to consist of certified copies of:
 - (i) the application for registration of title made to the land registry;
 - (ii) the documents accompanying that application;
 - (iii) evidence that all applicable stamp duty land tax relating to that application has been paid; and
 - (iv) a letter under which the seller or its conveyancer agrees to use all reasonable endeavours to answer any requisitions raised by the land registry and to instruct the land registry to send the completed registration documents to the buyer.
 - (e) The buyer has no right to object to or make requisitions on any title information more than seven business days after that information has been given to the buyer.
- G4.3 Unless otherwise stated in the special conditions the seller sells with full title guarantee except that (and the transfer shall so provide):
- (a) the covenant set out in section 3 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to matters recorded in registers open to public inspection; these are to be treated as within the actual knowledge of the buyer; and
 - (b) the covenant set out in section 4 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to any condition or tenant's obligation relating to the state or condition of the lot where the lot is leasehold property.
- G4.4 The transfer is to have effect as if expressly subject to all matters subject to which the lot is sold under the contract.
- G4.5 The seller does not have to produce, nor may the buyer object to or make a requisition in relation to, any prior or superior title even if it is referred to in the documents.
- G4.6 The seller (and, if relevant, the buyer) must produce to each other such confirmation of, or evidence of, their identity and that of their mortgagees and attorneys (if any) as is necessary for the other to be able to comply with applicable Land Registry Rules when making application for registration of the transaction to which the conditions apply.
- G5. TRANSFER**
- G5.1 Unless a form of transfer is prescribed by the special conditions:
- (a) the buyer must supply a draft transfer to the seller at least ten business days before the agreed completion date and the engrossment (signed as a deed by the buyer if condition G5.2 applies) five business days before that date or (if later) two business days after the draft has been approved by the seller; and
 - (b) the seller must approve or revise the draft transfer within five business days of receiving it from the buyer.
- G5.2 If the seller remains liable in any respect in relation to the lot (or a tenancy) following completion the buyer is specifically to covenant in the transfer to indemnify the seller against that liability.
- G5.3 The seller cannot be required to transfer the lot to anyone other than the buyer, or by more than one transfer.
- G6. COMPLETION**
- G6.1 Completion is to take place at the offices of the seller's conveyancer, or where the seller may reasonably require, on the agreed completion date. The seller can only be required to complete on a business day and between the hours of 0930 and 1700.
- G6.2 The amount payable on completion is the balance of the price adjusted to take account of apportionments plus (if applicable) VAT and interest.
- G6.3 Payment is to be made in pounds sterling and only by:
- (a) direct transfer to the seller's conveyancer's client account; and
 - (b) the release of any deposit held by a stakeholder.
- G6.4 Unless the seller and the buyer otherwise agree, completion cannot take place until both have complied with their obligations under the contract and the balance of the price is unconditionally received in the seller's conveyancer's client account.
- G6.5 If completion takes place after 1400 hours for a reason other than the seller's default it is to be treated, for the purposes of apportionment and calculating interest, as if it had taken place on the next business day.
- G6.6 Where applicable the contract remains in force following completion.
- G7. NOTICE TO COMPLETE**
- G7.1 The seller or the buyer may on or after the agreed completion date but before completion give the other notice to complete within ten business days (excluding the date on which the notice is given) making time of the essence.
- G7.2 The person giving the notice must be ready to complete.
- G7.3 If the buyer fails to comply with a notice to complete the seller may, without affecting any other remedy the seller has:
- (a) terminate the contract;
 - (b) claim the deposit and any interest on it if held by a stakeholder;
 - (c) forfeit the deposit and any interest on it;
 - (d) resell the lot; and
 - (e) claim damages from the buyer.
- G7.4 If the seller fails to comply with a notice to complete the buyer may, without affecting any other remedy the buyer has:
- (a) terminate the contract; and
 - (b) recover the deposit and any interest on it from the seller or, if applicable, a stakeholder.
- G8. IF THE CONTRACT IS BROUGHT TO AN END**
- If the contract is lawfully brought to an end:
- (a) the buyer must return all papers to the seller and appoints the seller its agent to cancel any registration of the contract; and
 - (b) the seller must return the deposit and any interest on it to the buyer (and the buyer may claim it from the stakeholder, if applicable) unless the seller is entitled to forfeit the deposit under condition G7.3.
- G9. LANDLORD'S LICENCE**
- G9.1 Where the lot is or includes leasehold land and licence to assign is required this condition G9 applies.
- G9.2 The contract is conditional on that licence being obtained, by way of formal licence if that is what the landlord lawfully requires.
- G9.3 The agreed completion date is not to be earlier than the date five business days after the seller has given notice to the buyer that licence has been obtained.
- G9.4 The seller must:
- (a) use all reasonable endeavours to obtain the licence at the seller's expense; and
 - (b) enter into any authorised guarantee agreement properly required.
- G9.5 The buyer must:
- (a) promptly provide references and other relevant information; and
 - (b) comply with the landlord's lawful requirements.
- G9.6 If within three months of the contract date (or such longer period as the seller and buyer agree) the licence has not been obtained the seller or the buyer may (if not then in breach of any obligation under this condition G9) by notice to the other terminate the contract at any time before licence is obtained. That termination is without prejudice to the claims of either seller or buyer for breach of this condition G9.
- G10. INTEREST AND APPORTIONMENTS**
- G10.1 If the actual completion date is after the agreed completion date for any reason other than the seller's default the buyer must pay interest at the interest rate on the price (less any deposit paid) from the agreed completion date up to and including the actual completion date.
- G10.2 Subject to condition G11 the seller is not obliged to apportion or account for any sum at completion unless the seller has received that sum in cleared funds. The seller must pay to the buyer after completion any sum to which the buyer is entitled that the seller subsequently receives in cleared funds.
- G10.3 Income and outgoings are to be apportioned at actual completion date unless:
- (a) the buyer is liable to pay interest; and
 - (b) the seller has given notice to the buyer at any time up to completion requiring apportionment on the date from which interest becomes payable by the buyer;
- in which event income and outgoings are to be apportioned on the date from which interest becomes payable by the buyer.
- G10.4 Apportionments are to be calculated on the basis that:
- (a) the seller receives income and is liable for outgoings for the whole of the day on which apportionment is to be made;
 - (b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year, and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates; and
 - (c) where the amount to be apportioned is not known at completion apportionment is to be made by reference to a reasonable estimate and further payment is to be made by seller or buyer as appropriate within five business days of the date when the amount is known.
- G11. ARREARS**
- Part 1 Current rent**
- G11.1 "Current rent" means, in respect of each of the tenancies subject to which the lot is sold, the instalment of rent and other sums payable by the tenant in advance on the most recent rent payment date on or within four months preceding completion.
- G11.2 If on completion there are any arrears of current rent the buyer must pay them, whether or not details of those arrears are given in the special conditions.
- G11.3 Parts 2 and 3 of this condition G11 do not apply to arrears of current rent.
- Part 2 Buyer to pay for arrears**
- G11.4 Part 2 of this condition G11 applies where the special conditions give details of arrears.
- G11.5 The buyer is on completion to pay, in addition to any other money then due, an amount equal to all arrears of which details are set out in the special conditions.
- G11.6 If those arrears are not old arrears the seller is to assign to the buyer all rights that the seller has to recover those arrears.
- Part 3 Buyer not to pay for arrears**
- G11.7 Part 3 of this condition G11 applies where the special conditions:
- (a) so state; or
 - (b) give no details of any arrears.

- (a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the tenancy;
 - (b) pay them to the seller within five business days of receipt in cleared funds (plus interest at the interest rate calculated on a daily basis for each subsequent day's delay in payment);
 - (c) on request, at the cost of the seller, assign to the seller or as the seller may direct the right to demand and sue for old arrears, such assignment to be in such form as the seller's conveyancer may reasonably require;

- G12.2 The seller is to manage the lot in accordance with its standard management policies pending completion.
- G12.3 The seller must consult the buyer on all management issues that would affect the buyer after completion (such as, but not limited to, an application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a tenancy; or a new tenancy or agreement to grant a new tenancy) and:
- (a) the seller must comply with the buyer's reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the seller to a liability that the seller would not otherwise have, in which case the seller may act reasonably in such a way as to avoid that liability;
 - (b) if the seller gives the buyer notice of the seller's intended act and the buyer does not object within five business days giving reasons for the objection the seller may act as the seller intends; and
 - (c) the buyer is to indemnify the seller against all loss or liability the seller incurs through acting as the buyer requires, or by reason of delay caused by the buyer.

- G13.3 Otherwise the seller must on completion pay and assign its interest in the rent deposit to the buyer under an assignment

- G14.2 Where the special conditions state that no VAT option has been made the seller confirms that none has been made by it or by any company in the same VAT group nor will be prior to completion.

- (a) of the buyer's VAT registration;
 - (b) that the buyer has made a VAT option; and
 - (c) that the VAT option has been notified in writing to HM Revenue and Customs; and if it does not produce the relevant evidence at least two business days before the agreed completion date, condition G14.1 applies at completion.
- G15.5 The buyer confirms that after completion the buyer intends to:
- (a) retain and manage the lot for the buyer's own benefit as a continuing business as a going concern subject to and with the benefit of the tenancies; and
 - (b) collect the rents payable under the tenancies and charge VAT on them
- G15.6 If, after completion, it is found that the sale of the lot is not a transfer of a going concern then:
- (a) the seller's conveyancer is to notify the buyer's conveyancer of that finding and provide a VAT invoice in respect of the sale of the lot;
 - (b) the buyer must within five business days of receipt of the VAT invoice pay to the seller the VAT due; and
 - (c) if VAT is payable because the buyer has not complied with this condition G15, the buyer must pay and indemnify the seller against all costs, interest, penalties or surcharges that the seller incurs as a result.
- G16. CAPITAL ALLOWANCES**
- G16.1 This condition G16 applies where the special conditions state that there are capital allowances available in respect of the lot.
- G16.2 The seller is promptly to supply to the buyer all information reasonably required by the buyer in connection with the buyer's claim for capital allowances.

- G16.4 The seller and buyer agree:
- (a) to make an election on completion under Section 198 of the Capital Allowances Act 2001 to give effect to this condition G16; and

- G18.2 The seller warrants that the seller has complied with sections 5B and 7 of that Act and that the requisite majority of qualifying tenants has not accepted the offer.
- G19. SALE BY PRACTITIONER**
- G19.1 This condition G19 applies where the sale is by a practitioner either as seller or as agent of the seller.
- G19.2 The practitioner has been duly appointed and is empowered to sell the lot.
- G19.3 Neither the practitioner nor the firm or any member of the firm to which the practitioner belongs has any personal liability in connection with the sale or the performance of the seller's obligations. The transfer is to include a declaration excluding that personal liability.
- G19.4 The lot is sold:
- (a) in its condition at completion;
 - (b) for such title as the seller may have; and
 - (c) with no title guarantee;
- and the buyer has no right to terminate the contract or any other remedy if information provided about the lot is inaccurate, incomplete or missing.

- G19.6 The buyer understands this condition G19 and agrees that it is fair in the circumstances of a sale by a practitioner.

- G20.2 If the special conditions do not state "There are no employees to which TUPE applies" the following paragraphs apply:
- (a) The seller must notify the buyer of those employees whose contracts of employment will transfer to the buyer on completion (the "Transferring Employees"). This notification must be given to the buyer not less than 14 days before completion.

 - (b) attributable service charge expenditure exceeds payments on account (whether those payments have been received or are still then due), the buyer must use all reasonable endeavours to recover the shortfall from the tenant at the next service charge reconciliation date and pay the amount so recovered to the seller within five business days of receipt in cleared funds;
- but in respect of payments on account that are still due from a tenant condition G11 (arrears) applies.
- G22.5 In respect of service charge expenditure that is not attributable to any tenancy the seller must pay the expenditure incurred in respect of the period before actual completion date and the buyer must pay the expenditure incurred in respect of the period after actual completion date.  - (b) the buyer must covenant with the seller to hold it in accordance with the terms of the tenancies and to indemnify the seller if it does not do so.

- G23.2 The seller may continue negotiations or rent review proceedings up to the actual completion date but may not agree the level of the revised rent or commence rent review proceedings without the written consent of the buyer, such consent not to be unreasonably withheld or delayed.
- G23.3 Following completion the buyer must complete rent review negotiations or proceedings as soon as reasonably practicable but may not agree the level of the revised rent without the written consent of the seller, such consent not to be unreasonably withheld or delayed.
- G23.4 The seller must promptly:
- (a) give to the buyer full details of all rent review negotiations and proceedings, including copies of all correspondence and other papers; and

- G23.5 The seller and the buyer are to keep each other informed of the progress of the rent review and have regard to any proposals the other makes in relation to it.
- G23.6 When the rent review has been agreed or determined the buyer must account to the seller for any increased rent and
- interest recovered from the tenant that relates to the seller's period of ownership within five business days of receipt of cleared funds.
