OK, food happenings this week...

Very cool event at 2012 *Diablo* Best New Restaurant-winner Hopscotch this coming Monday. Chef-owner Kyle Itani is joining his former bosses Daniel Holzman and Michael Chernow, owners of New York City's popular Meatball Shop, in hosting a **one-night-only Meatball Shop Pop-Up**. Holzman (also the former chef at renowned SF Italian eatery SPQR) will be bringing the same menu of meatballs, heroes, sides, and cookies starting at 5 p.m. and lasting until midnight (or until the last meatball is eaten).
