2018-19 Senior Activities and Commencement Ceremony Requirements Contract

Student Name :

Student ID Number:

Senior year is full of exciting and challenging experiences. The path of graduation starts the first day of senior year. Graduation is the last reward, senior year, and honors the student and family for completing the required graduation requirements outlined by the state of California and the Perris Union High School District Board of Trustees. While on campus and in the community, seniors are the role models; therefore, there will be participation requirements for non-required privileges like senior activities (i.e., prom, Grad Night, dances, field trips, senior activities, off-campus lunch passes, graduation ceremony, etc.) In order to participate in such activities, positive, responsible, and respectful behaviors are required, along with good attendance.

I, _____, recognize that participation in senior activities and/or the graduation ceremony is a privilege and is not mandatory to receive the diploma. I fully understand that my failure to completely abide by the following guidelines outlined in this contract, could terminate my participation in senior activities and the graduation ceremony.

- 1.) I agree to attend classes daily (no more than a combination of 64 unexcused period absences or tardies).
- 2.) I will follow all guidelines set down by the student handbook, school administration, and staff. Failure to follow such guidelines, including suspendable offenses, will be grounds for not participating in senior activities and/or graduation.
- 3.) I will wear clothing that follows the Perris High dress code as outlined in the student handbook at all of the senior and school events.
- 4.) I will wear the school approved cap and gown with no altercations or deviations. A failure to comply will result in my exclusion from graduation ceremony participation.
- 5.) I will attend all graduation practices and give my full attention.
- 6.) I will not call personal attention to myself, behave in a manner that disrupts the graduation practice and/or ceremony, or cause embarrassment to the school/class.
- 7.) I will pay all outstanding fees before I am allowed to participate in activities like prom, Grad Night, senior activities, and graduation.
- 8.) I understand that any suspension could result in a loss of some or all senior privileges.
- 9.) If a student is removed from a school activity for violation of this contract, no fees will be refunded.

I agree to the terms of this contract. Forgery of this contract constitutes immediate removal from senior activities and/or graduation. The consequences outlined in this contract will be enforced regardless if student/parent provide signatures.
