The Meatball Shop Plans to Stay in NYC

by Jacqueline Wasilczyk

As much as we'd love our LA brethren to have a little [Meatball Shop](#) in their lives, sadly according to co-owner **Michael Chernow**, it isn't happening. Though rumors [started to spread](#) after they visited the City of Angeles for a recent food festival, Chernow confirmed they are solely focused on their New York ventures, including the soon-to-open West Village location. Guess that means after [their victory](#) last night at the New York City Wine and Food Festival's Meatball Madness event, they won't be going to Disneyland?
