

# La despedida

---

## The farewell

Unfortunately the days went by too quickly bringing Alice's time in Barcelona to an end. Elena and her family are at the Airport with Alice.

Alice wants to buy some souvenirs to take home.

¿Vamos a la tienda de regalos?

Shall we go to the gift shop?

Once there Alice makes some enquiries.

¿Cuánto cuesta el abanico?

How much is the fan?

She wants to buy it

Me da un abanico, por favor

Give me a fan, please

It's time to leave. The whole family waves goodbye to Alice

Adios Alice

Goodbye Alice
