RAISING THE DAUGHTERS OF TODAY TO BE THE LEADERS OF TOMORROW

# WORLD CONCERNS

## NEED FOR SUPPORT

The pressures affecting teenagers include society pressures, lack of confidence, and a sense of loneliness and guilt. This stimulates an increase in teen alcoholism, addiction, unhealthy sexual and non-sexual relationships, depression, and suicide.

## NEED FOR KNOWLEDGE

The media is teaching our daughters to hate what they see when they look in the mirror. Society is telling them that sex sells. We are in a world where our daughters aspire to conform to an explicit secular world.

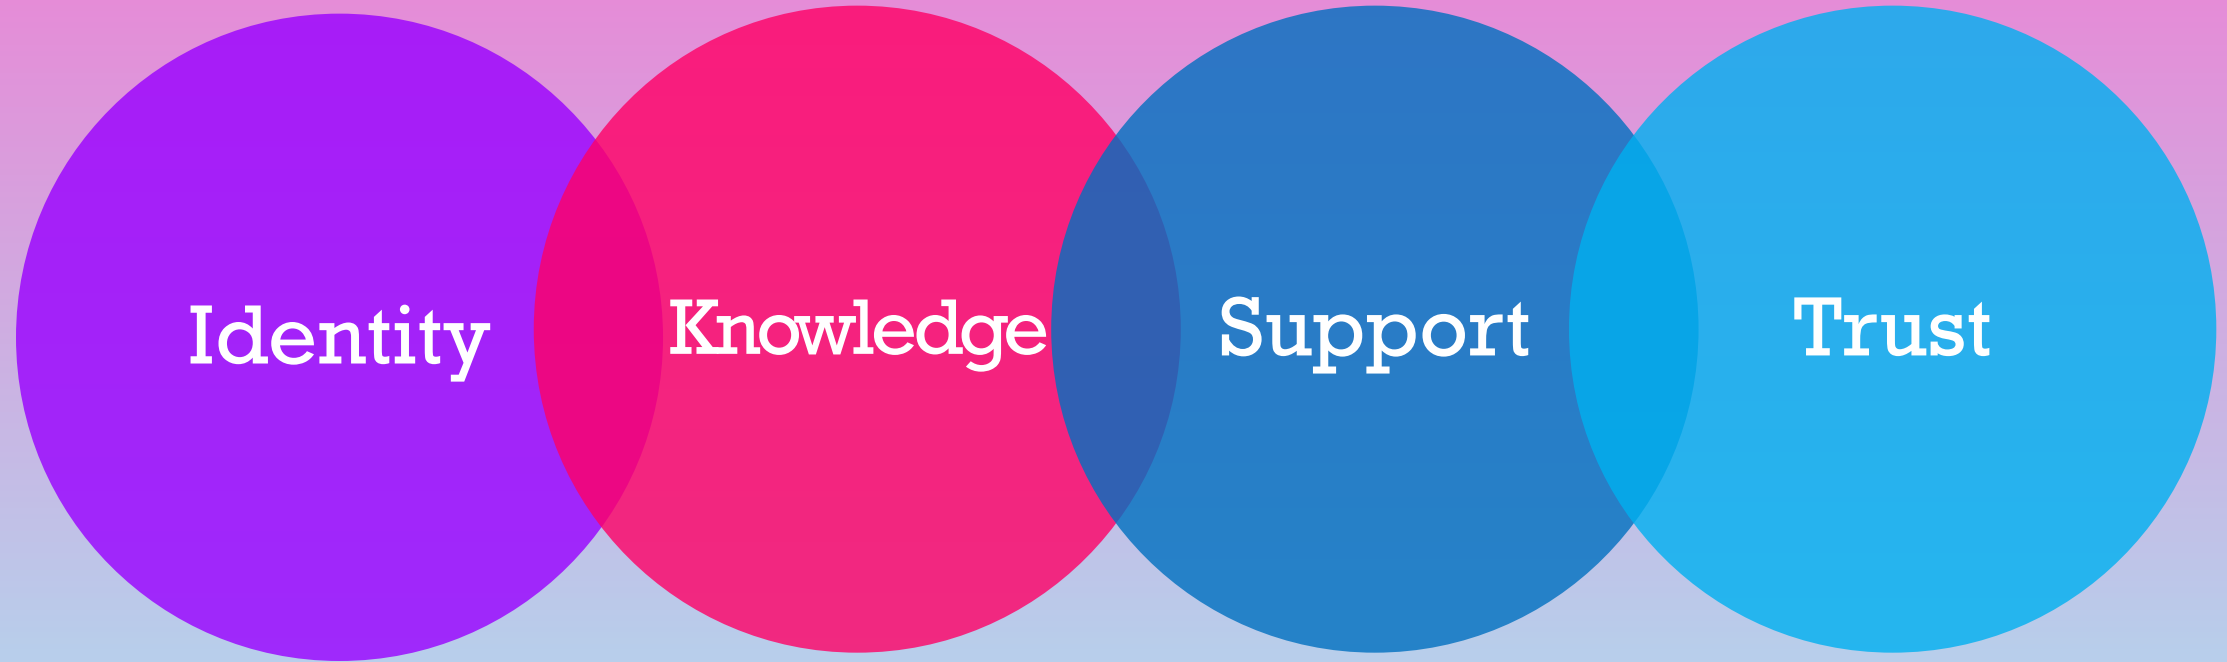

## NEED FOR FAITH-BASED EXTRACURRICULAR ACTIVITIES

The skyrocketing categories of the aforementioned crime and falling morality is a testament to removing the Biblical standards that worked quite well for America generations upon generations.

# THE SOLUTION

Our goal is to preserve our daughter's innocence and provide guidance on the path to becoming a Virtuous Woman. Charmed and Cherished strives to help teens become the leaders and disciples that God is calling them to be. We believe there is a need to build up teens as disciples as well as leaders.

Girls need to know who  
they are in Christ  
Girls need to know what  
God has destined for them

Girls need to know  
what the scripture  
says about their  
intended behavior

Girls need to know  
they aren't alone in the  
things they face today

Girls need to know  
they can trust in God

# GROUND FLOOR

Blessed are those who hunger  
and thirst for righteousness,  
for they shall be satisfied.  
**Matthew 5:6**

**Curriculum Strategy:** Charmed and Cherished uses weekly activities, small groups/bible study, & rehearsals, as opportunities to know and understand each girl, her story, connecting her with the Creator and His plan for her life.

**Learned Lessons Dynamic:** Each semester consists of a series topic which develops into the foundation of the Biannual Dance Concert. Using Project-based learning each series end with a colorful dance concert that provides full insight into each lesson learned week to week.

May our sons in their youth be  
like plants full grown, our daughters  
like corner pillars cut for the  
structure of a palace  
**Psalms 144:12**

**Gender-Specific Environment:** God created men and women with special differences. When a girl understands what it means to be a godly woman, she aspires to the design that God intended.

A single-gender setting has many benefits, but the greatest of these is for a girl to feel safe and secure in her discovery of who God intended her to be.

Charmed & Cherished does host planned co-ed & all male activities

And take the helmet of salvation,  
and the sword of the Spirit,  
which is the word of God  
**Ephesians 6:17**

**Biblical:** Understanding that God's Word is the only means to bring about a lasting impact, we ensure that all our teaching is grounded and founded in Scripture. Those who attend our events or utilize our resources will receive Truth rather than opinions.

**Generational Relevance:** Culture is constantly changing, so it is our responsibility to engage the hearts of those engaged in this culture. We do this tackling today's most critical issues in a discussion style that acknowledges the uniqueness of this postmodern generation

I have no greater joy than to hear  
that my children are  
walking in the truth.  
**3 John 1:4**

**Our Church Partnership Strategy:** We believe in the power of the local church to change the world, so it is a priority to partner with churches in everything we do.

Our true desire is to partner with churches in any and every way for the growth of our daughters.

Our Church relationships will serve to developing a proper understanding of the characteristics of Jesus Christ.

# TOGETHER

In recent years, the number of ministry's and programs have truly grown. We are grateful that so many have answered the call to reach today's young women and look to serve as a centralized shared resource provided to the youth, churches and communities.

## CHURCH & MINISTRY

Bringing together local youth ministries we empower Youth to reach Youth. We encourage fellowship and connect Youth from different cities taking A Stand for Jesus-Christ. As a result, we prepare the next generation of Christian leaders. Charmed and Cherished engages local Pastor's and church leadership to conduct discussions & workshops. The support of our church families help reinforce— sharing the gospel of the Lord through our Annual Dance Concerts

## COMMUNITY

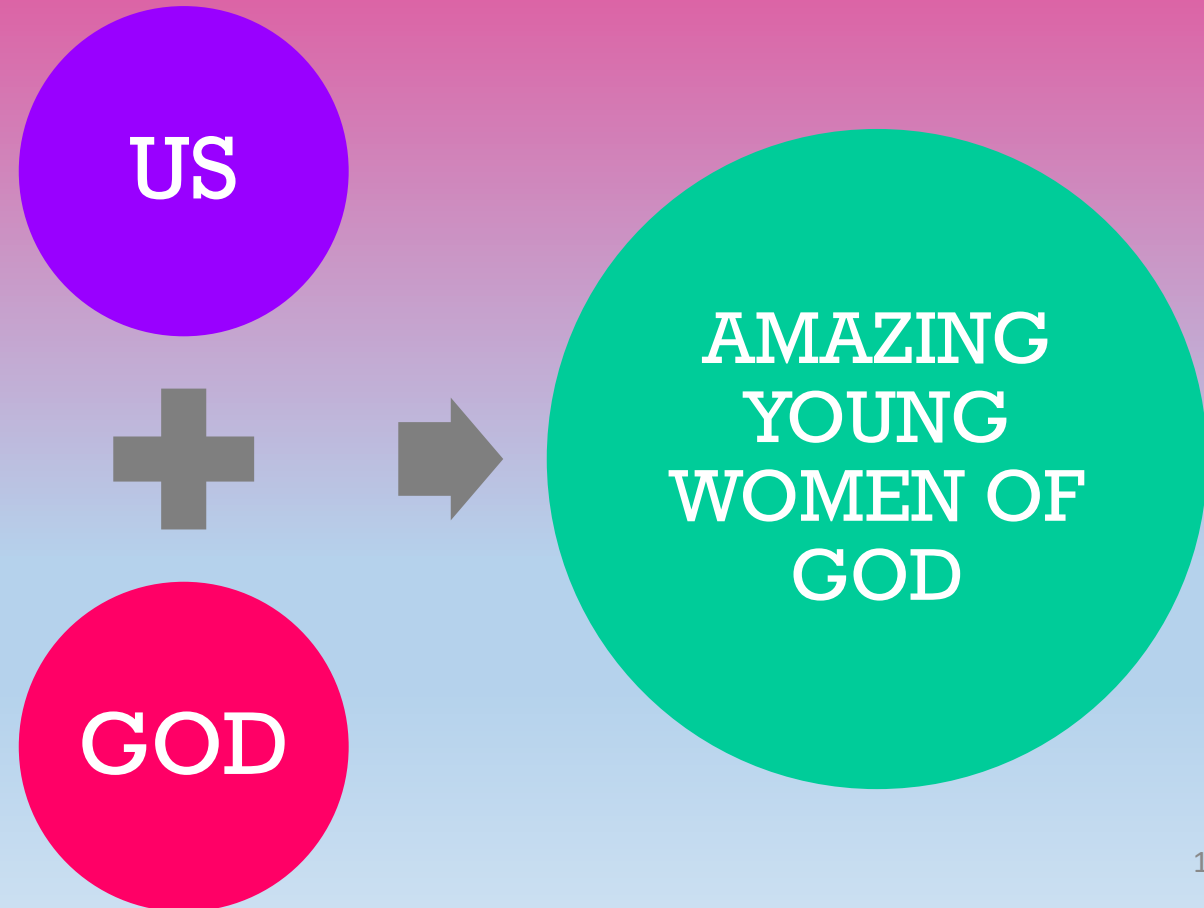

### School District Engagement

Partnering with Gwinnett County Schools we look to provide collaborative enrichment & fundraising opportunities. The goal is to create visibility for the ministry & it's network while providing resources to the local schools

### Business & Organization Engagement

Our approach is to deliver innovative sponsorship relationships that provide effective marketing tools for both businesses and organizations. By connecting with our supporting network we leverage the support needed to launch a series of fundraising activities that will successfully fund the expanding program. Our network form new business partnerships and benefits from the brand awareness & community involvement recognition.

**268,519 households in Gwinnett County**  
**45.6% have children under the age of 18**

# NOW WHAT?

"Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings."  
**Isaiah 58:12**

## Making It Happen!

Charmed and Cherished promotes relationship-building as a first step in sharing Christ with connection and fellowship events.

Charmed and Cherished primarily targets the middle & high school female student who is not antagonistic toward the church, and who is somewhat given to "spiritual" things. Effectively reaching the targeted student involves much effort in providing a well-balanced, multi-level Discipleship Ministry.

### COME AND SEE

The purpose of the ministry is to reach the curious, the fun-seekers, the non-interested and the secular--to expose new people to Jesus Christ in a positive way and see them either accept Christ or go away closer to accepting Him.

### COME AND GROW

As convinced students accept Jesus as their personal Lord and Savior, they must be nurtured and fed in order to mature in Christ. During this stage, the adult Leadership Team spends time building relationships in order to create an environment of love, trust, and acceptance which will in turn facilitate an atmosphere conducive to producing growing disciples.
