Hooray! Katie Finally Ditches the Diet

Indeed, during her trip to NYC, she was also spotted noshing on red-velvet cake at Bubby's restaurant at 10:30 p.m. — she and Suri, who had four scoops of ice cream, were both in pajamas — and polishing off meatballs and two desserts (an ice cream sandwich and a root beer float) at the Meatball Shop.

DEC. 20

Katie and a group shared meatball dishes (300 to 500 calories each) at the Meatball Shop. While everyone (including Katie) got a 150-calorie ice cream sandwich, the actress also ordered a 300-calorie root beer float.
