3) Upper West Side: The Meatball Shop opened its sixth location this weekend. Like its other shops, the new location features five varieties of meatballs on its menu, including beef, spicy pork, chicken, veggie, and a daily special like tandoori lamb balls. The shop also hosts an ice cream cart that sells ice cream sandwiches made with flavors like sweet corn or lemon frozen yogurt, packed between dark chocolate fudge, hazelnut snickerdoodle, or butter cookies.

Status: *Certified Open. 447 Amsterdam Ave., 212-422-1752.*
