OSTARA
TRVE BREWING COMPANY, CO
Hailing from Denver, CO, this golden sour ale showcases a tart, citrus-forward beer. By adding dandelion, lemon peel, and lemongrass, the palate up front is both zesty and herbaceous. However, this beer balances both the citrus and sourness by finishing bright and refreshing.

HOPSYNTH
UPLAND BREWING COMPANY, IN
This tart and fruity sour is a blend of blonde ales, dry-hopped with Citra, El Dorado, and aged German Spalt. Dank hop aromas abound along with ripe tropical fruits and resin, culminating in a bright and snappy finish.
