Whether or not your team is playing, Super Bowl Sunday is a time for enjoying nachos, wings, and other comfort foods, with beer to wash it all down. Here's a guide to 12 great dining options for Super Bowl Sunday in New York City.

[Restaurants are listed by geography: south to north in Manhattan, and north to south in Brooklyn.]

8 The Meatball Shop

The Meatball Shop will be showing the big game at Underballs, the subterranean bar located at its Chelsea outpost. The special ball for the evening will be pizza balls. Mini Buffalo balls will also be served. The Williamsburg shop will also be playing the game.
