Return visit Friday 09/03 1:00 PM

Date 08/30 @ 09:00 AM

New school Setup

**\*\*Re-survey is needed for new install\*\***

Need tech to look at each floor (2nd floor and basement) to see if there are core holes between floors to run an uplink cable from the first floor to connect the 2nd and basement to the same network. All new AP lines will be ran on a per floor bases there will be a new rack, switch, voip phones, walkie talkies etc. Each floor will be its own new install only difference is that each floor will connect to the existing 1st floor network.
