Victorian Masters Ballarat Tournament

Well, I finally made it to Ballarat, had been meaning to get there for about 20 years, particularly when I lived and played in South Australia, the plan was to drive across, ... never did!!.

I went with 17 other Tassie players, and on registering on the Friday night, was promptly given my "Ballarat Virgin" name badge to wear all weekend.

Now that you have stopped laughing!!,... the weekend was great fun, the squash ebbed and flowed!!, we did not get home until 1 am on the Friday night, due to matches being played very late 10.30 pm, so obviously we stayed and supported our fellow tassie players.

A fantastic group from the north, (led by Rod Cahill, who came, even though he could not play due to an arthroscopy) joined us, and they played some great matches, so we will hopefully see them there again in 2014 as there is a lot of talent up north.

Of course, staying with blokes like George and Dave, did have some very funny moments, particularly when Annie is sitting there on the Saturday afternoon, we were all getting ready for the dinner dance, and there she is... straightening Dave's hair... he looked gorgeous!. We had a great night at the dinner dance, with Bob Simmons, George, Dave and others, wearing a ear ring, in memory of a Victorian Masters player, Kaye Kay (KK), who passed away earlier in the year. Kaye always wore colourful and interesting ear rings, so it was a tribute to her. Thanks Guys.

On the Sunday night, all the Tassie players joined together at a local restaurant to get to know each other better, thanks to Vicki and Jude for organising this get together, a great idea.

Jenny Brown, Vice President

No matter where these two roam, they always cause tongues to wag. On the last day of the Ballarat tournament George & Dave turned up in their matching outfits. Talk about the odd couple!!!
