Nicolas Joly...the godfather of biodynamic wine in the Loire!

After leaving the banking industry in 1977, Nicolas Joly returned to the Loire to take over his family's estate of Chateau de la Roche aux Moines in Savennières. Inspired by the works of Rudolf Steiner, Nicolas decided to convert his vineyards to biodynamic farming, eschewing chemical fertilizers and pesticides in favor of organic and biodynamic preparations. The results are positively enchanting.

b Savennières, <i>Les Vieux Clos</i> , 2010	75.
--	-----

Le Vieux Clos wine is usually made, nature willing, with the addition of botrytised grapes, adding richness and depth to the wine. Richly golden in color and almost waxy in texture.

--	------

Clos de la Coulée de Serrant has been its own AOC since 1952. Planted first in 1130 by Cistercian monks, this vineyard has always been the most prized in the Loire for its concentrated, dynamic Chenin Blanc. There has been a wine made every vintage since...meaning that to-date there have been 885 vintages of wine made from this epic vineyard!

RED – ITALY – VINTAGE PIEDMONT

So, here's the deal...we have all this cool, funky old wine from Piedmont, and we think it's time to dust 'em off and pop the corks! Please be aware that these wines are not fruit-forward; that's not the point. Think earth; dried leaves, tobacco, smoke, barnyard, animal, vegetable, mineral. Old wine is unlike anything else- it's transformative!
