

Successful Retirement Secrets is an online school with 3 easy to follow courses that teach a student a new and creative way to think about and plan for retirement.

Everyone can expect to benefit from :

- A greater understanding of the dynamics of retirement,
- Achieving a higher level of financial literacy,
- Learning insights about investment choices and Social Security,
- Developing one's strategic goals for retirement and a 'road map' to follow,
- All of which support the goal of a worry free and financially secure retirement.

Course 1: A Quick Snack – is a *free course* to start training your brain about retirement and developing the necessary skills for a truly successful retirement. **Regular price: \$0**

Course 2: Lunch On The Go – has 3 video lessons that teach you the basic steps necessary to achieve a successful retirement. It teaches 8 critical questions to ask of yourself as you get ready to face new and often painful financial challenges. **Regular price: \$57**

Course 3: A Sit Down Meal – is a comprehensive overview of the 8 questions in 18 video lessons across 4 modules: (1) Getting ready for a 21st Century Retirement; (2) Investing Your Money for Retirement; (3) Social Security & You; and (4) Creating A Financial Road Map to Follow. If you have discipline and are willing to make an effort, your chances of having a stress free and financially secure retirement will be greatly improved. **Regular price: \$197**

Please note: The lesson videos are purely educational. There is **NO** effort made to sell anything. Everything taught is intended to create a better understanding of the choices to be made *before* reaching retirement. If you need help from someone, a lesson video explains how to find that person, someone you can trust with your financial questions.

We offer a no questions asked, money back guarantee within the first 30 days.

Visit the website shown here, watch the short preview videos, and decide which course is best for you.
