Unit B5

Halesfield 8, Telford

LOCATION

The property is located on Halesfield Industrial Estate in the new town of Telford. Telford straddles the M54 motorway, being located approximately 15 miles from Junction 10 of the M5. The M54/M6 link gives easy access to the national motorway network, and to Wolverhampton some 18 miles to the southeast and Birmingham city centre approximately 35 miles distant. The county town of Shrewsbury is approximately 15 miles to the west via the M54 and A5 trunk road.

Halesfield is one of Telford's most established industrial areas, being developed from the 1970's. It is situated on the south eastern edge of the town and accessed via the A442 Queensway, which also affords access onto the M54 motorway approximately 3 miles to the north. Halesfield is home to a number of indigenous engineering and manufacturing concerns.

DESCRIPTION

The property comprises a terraced single storey industrial unit providing workshop and office accommodation. The unit is constructed of a steel truss framework with brick and blockwork elevations, which are partially clad with steel profile sheeting, beneath a cement board roof incorporating glazed roof lights.

Internally, the workshop area has a minimum eaves height of approximately 12ft 10ins and there is an attached single storey office block to the front, including staff WC facilities. Vehicular access is provided via a roller shutter door to the front of the building.

Outside, there is a service yard and car parking facilities to the front of the unit.
