Take 1 Idea and Put It INTO ACTION!

From Dr. Phil

- “There's one characteristic shared by those who get results, from Bill Gates to Colonel Sanders: Winners do things losers don't want to do. People who make it across the finish line have a different mode of thinking from those who don't.”

Winning Clients ASAP

- No delay and be direct.

Thought for 1955

WHAT IS A CUSTOMER?

- ★ He is the most important person at your station.
- ★ He is not dependent on you . . . you are dependent on him.
- ★ He is not an interruption of your work . . . he is the purpose of it.
- ★ You are not doing him a favour by serving him . . . he is doing you a favour by giving you the opportunity to do so.
- ★ He is not an outsider to our business . . . he is part of it.
- ★ He is not a cold statistic . . . he is a flesh-and-blood human being with feelings and emotions like your own, and with biases and prejudices.
- ★ He is not someone to argue or match wits with . . . nobody ever won an argument with a customer.
- ★ He is a person who brings you his wants . . . it's your job to handle them profitably to him and to yourself.

Winning Quality + Marketing Eco-System

- Use a range of Sales & Marketing Strategies.
- Never wait for “One thing” to pay off.

Winning Sales Process

- Focus on those that already know you, and keep driving people through this basis on a regular daily basis.

Abundance Mindset Considerations

- It's time to only have WONDERFUL people in your life 😊

The Persuasion Stack

- We love and recommend “WIN BIGLY – Persuasion in a world where facts don’t matter” by Scott Adams.
- “Persuasion Stack” is everything and as we build that, we become more powerful and effective.

"I RECOMMEND THIS BOOK TO ALL MAMMALS, BIG AND SMALL. IT ONCE TURNED A MOLE INTO A CHEETAH. I SAW IT WITH MY OWN EYES."

-Lord Byron (probably would have said that)
