Understanding the Conscious and sub-conscious

Basic Online Hypnosis

After completing this course, you will understand the conscious and sub-conscious mind and the importance to get them to work together as opposed to working against each other. You will be able to hypnotize yourself, Family and Friends.

Advanced Hypnosis

In this course, you'll learn the basics of neuro-linguistic programming and how words can deeply affect our reality and those of others. You'll develop rapport-building skills that will help put your clients at ease in your presence.

Master Hypnosis

In this course, you will discover and at the same time heal the cause of your or your clients' problems. Demonstrations will show how a volunteer's childhood trauma has been the reason for his asthma in later life. The Master's Certification you are ready to begin your own practice in helping others to begin to change their unwanted behaviors.

Clinical/Instructors

Alternative health professionals practicing Reiki, Healing Touch, Body Talk, and Psych-K who currently have an alternative health business and want to add hypnotherapy to their toolbox. Because hypnotherapy is a highly marketable modality, this program also offers great opportunities for business growth.
