Fifty Paces is the rock and roll kid sister to Hearth, located fifty paces east from Hearth in the heart of the East Village on Twelfth Street. Fifty Paces is available for private events during the daytime and evening. The space has 24 seats, 8 along the bar & 16 at a long communal table. The seats can be removed for a private event and the suggested standing occupancy of the space is recommended at no more than 30 people. It is the perfect place for a laid-back cocktail-style party. Please note, Fifty Paces only serves beer and wine. We will offer 10-12 items of our choosing off our regular menu to be served at private events. Food is not presented in courses, rather it is plated and set along the bar "buffet-style." For private events, we do not have the ability to serve individual plated items to guests. For wine selection, we will offer 5 white wines, 5 red wines and a selection of beer from our current beverage list.
