I attended a marketing event where Edward was the speaker. He was extremely professional in his presentation and highly educated in the subject he presented. His advice on making "branding" made complete sense. I would highly recommend him as a business coach or as someone to follow through the internet networking community.

Edward is a powerhouse of marketing and motivation. He goes out of his way to help you, giving his time and energy authentically and passionately. I have never met anyone as helpful, generous and supportive in business as Edward Zia. He is a great guy, full of energy and enthusiasm. If you want to move your business forward, learn about effective marketing, great real down to earth answers, and a great person into your network and a friend into your life. Ed is your man. Thank you for all your help and support. Highly recommend.
