#### NOTES TO THE FINANCIAL STATEMENTS

#### for the year ended 30 June 2017

#### Note 1: Statement of significant accounting policies

The directors have prepared the financial statements on the basis that the association is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared in order to meet the needs of members.

The financial report has been prepared in accordance with the significant accounting policies disclosed below which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows.

#### Going concern

The financial report of the association has been prepared using the going concern basis.

#### **Reporting period**

The financial period of the association is 1 July 2016 to 30 June 2017.

#### Comparatives

Where necessary, the comparative figures have been adjusted to conform to the presentation of the 30 June 2017 financial report.

#### **Revenue recognition**

Revenue from the sale of goods is recognised (net of discounts and allowances) when control of the goods passes to the customer.

Revenue from rendering services is recognised at the completion of the contracted task.

#### Receivables

The collectability of debts is assessed at balance date and specific provision is made, if necessary, for any doubtful accounts.

#### Inventories

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is determined on the basis of each inventory line's normal selling pattern. Expenses of marketing, selling and distribution to customers are estimated and are deducted to establish net realisable value.

#### NOTES TO THE FINANCIAL STATEMENTS

#### for the year ended 30 June 2017

#### Note 1: Statement of significant accounting policies (continued)

#### Property, plant and equipment and right of use of Barossa courts

Fixed and intangible assets are brought to account at cost less where applicable, any accumulated depreciation or amortisation.

All assets have limited useful lives and are depreciated or amortised using the straight line method over their estimated useful lives.

Depreciation and amortisation rates and methods are reviewed annually for appropriateness. When changes are made, adjustments are reflected prospectively in current and future periods only.

The depreciation and amortisation rates used for each class of assets are:

Furniture, fittings and floor coverings12-25%Gaming machines25%Motor vehicles33%Plant and equipment25%Pickt of use of Bergers source10%

Right of use of Barossa courts 10%

#### Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of the acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST payable is included as a current liability in the statement of financial position.

#### **Employee entitlements**

Provision is made for the association's liability for employee entitlements to annual and long service leave arising from services rendered by employees to balance date.

Contributions are made by the association to the employees' superannuation funds and are charged as expenses when incurred.

#### INDEPENDENT AUDIT REPORT

I have audited the special purpose Income Statement and the Statement of Financial Position for the Squash Rackets Association of S.A. Incorporated in accordance with Australian Auditing Standards, for the financial year ended 30 June 2017.

The audit included checking and forming a view on the Association's responsibility for the maintenance of adequate accounting records and internal controls.

The audit procedures assessed whether in all material aspects the Statements presented fairly in accordance to Accounting Standards. The procedures included testing, examination, discussion and analysis, and any other disclosures in the Statements that were not directly derived from the full financial statements.

The Statements are prepared for the information of the membership and in accordance with the *Associations Incorporations Act 1985.* 

In my opinion the Association's Income Statement and Statement of Financial Position presents a true and fair view of the activities and position of the Association for the financial year ended 30 June 2017.
