SERVICE DESCRIPTION

Store Closing: Uninstall-Pack-Ship **FIRM ETA**

Tech will need to call Telaid PM, Robert St. George @918-500-1026 to check in on site and review the tasks required.

This is typically a 6-7 hour job.

Required tools: Punch down tools, security bits, butt set, cable tester, 8-10 ft ladder, dikes, wrench set, typical tool set for removing IT and Telco Equipment, etc.

Two pallets, gaylord bins, and packing materials, will be provided at the location.

Follow all of the instructions in the SOW Document attached to the Work Market Assignment.

You will need to load at least these four pictures to the WorkMarket assignment before you check out and exit the site.

One of the staged inventory

One of the Telco Backboard area

One of the completed/wrapped-up bins for shipment

One of the filled out Inventory Sheet.

Tech will need to call Telaid PM, Robert St. George @918-500-1026 prior to departure, to review inventory and deliverables.
