

# WHAT ARE YOUR BEST CHANCES AT BECOMING A MILLIONAIRE?

Millionaires (individuals who make \$1million and above annually)  
can be divided into four main categories:

## BUSINESS OWNERS

In spite of the famously quoted "9 in 10  
businesses will fail every 5 years"  
statistic,

**50%**

of the millionaires in the world  
found their wealth in creating  
businesses.

## STOCK MARKET INVESTORS

**20%**

of the world's millionaires created  
their wealth through investment  
vehicles.

## REAL ESTATE MOGULS

**15%**

of the millionaires  
made their millions  
from properties, which real estate  
portfolio accounting at least 40%  
of their overall wealth.

## HIGHLY PAID EXECUTIVES

**15%**

of the millionaires  
in the world are  
highly paid CEOs or high ranking  
officers working for large  
corporations.
