

**SENECIO ROWLEYANUS**  
**“STRING OF PEARLS”**

## IDEAL LIGHT

Partial Shade

## WINTER HARDINESS

Not cold hardy

## PROPAGATION METHODS

Cuttings, seeds

## WATER NEEDS

Water only when soil is dry - sensitive to over watering

## MATURE SIZE

10 ft (3 M) in length

## ADDITIONAL NOTES

This beautiful trailing succulent is easily propagated. It's perfect for hanging baskets, and can be grown indoors if given proper sunlight.

Be careful not to over-water.

Works well as a "spiller" in arrangements as it easily trails over the edge of a planter.
