**BUBBLES AND BALLS** All three locations of [The Meatball Shop](#) will host "**Bubbles and Balls**" parties on New Year's Eve, where they'll serve **Jingle Balls** (venison meatballs with currants and bitter chocolate) and offer two for one glasses of prosecco after midnight, plus a complimentary toast when the ball drops. No reservations required. For more ideas, check out Eater's [New Year's Eve Map](#). [EaterWire]
