

# 8 Events You Don't Want To Miss In September

Between the return of *Homeland* and Emily's impending nuptials on *Revenge*, September's looking rather couch-friendly. But, trust, there are a couple of reasons to venture out this month (plus, there's always DVR).

From a crazy denim sale to an outdoor screening of arguably Mark Wahlberg's best work ever to a little taste of Maine, here are eight events in September that are not to be missed.

## The Meatball Shop Pop-Up

If the mere thought of Spicy Pork Sliders leaves you booking the next Virgin America flight for JFK, then rest assured, we've got good news. For one night only, New York's The Meatball Shop comes to Roy Choi's Sunny Spot in Venice for a meatball pop-up. There are no tickets or reservations, so don't dillydally en route!

**When:** Saturday, September 7, 5 p.m. to 2 a.m.

**Where:** Sunny Spot, 822 Washington Boulevard (at Abbot Kinney Boulevard), 310-448-8884.
