

**EARTH ANGEL TRAINING ACADEMY**

# INTRODUCTION

Thank you for joining us at the Earth Angel Training Academy!

Being an Earth Angel on Earth at this time can be difficult, and if you haven't connected with other Earth Angels, or you're not sure what your mission is, or you're very sensitive, it can feel very overwhelming and lonely.

These classes are based on the classes in the novel, *The Earth Angel Training Academy* by Michelle Gordon and have been created to provide tools to deal with the overwhelm, and with daily life as a human being on Earth.

The Earth Angel Series are books that Michelle has written about Angels, Faeries, Merpeople and Starpeople who go to a Training Academy on the other side to learn how to become human. Then one by one, they're called to Earth and incarnate into human bodies. There are ten books in the series - *The Earth Angel Training Academy*, *The Earth Angel Awakening*, *The Other Side*, *The Twin Flame Reunion*, *The Twin Flame Retreat*, *The Twin Flame Resurrection*, *The Twin Flame Reality*, *The Twin Flame Rebellion*, *The Twin Flame Reignition* and *The Twin Flame Resolution*.

The books have helped many people around the world to recognise that they are Earth Angels, and to realise that they are here on Earth to help with the spiritual awakening that is currently taking place. Michelle wrote them as fiction instead of non-fiction, because sometimes it's easier to take information in when it's in story-form, as our defensive barriers aren't up. We just read and enjoy the story, and often get deeper meanings and messages from it.

In the first book, as part of their training, the trainees take lots of different classes on different human topics - Communication, Death, Emotions, Free Will, Manifestation etc.

Though Earth Angels received this training before coming to Earth, when they were born into a human body, their slate was wiped clean, and they forgot much of it. Which is why many Earth Angels often have a feeling of not belonging on Earth, of feeling out of place, of wanting to go home, but often they don't understand why.

Once Earth Angels on Earth know who they really are and where they have really come from, being human becomes a little easier. Then, it's a matter of remembering and then using the right tools for them to thrive in their human existence.

The classes will mention the characters from the books in the Earth Angel series, and the situations or events, so although it's not required reading for the course, if you would like to understand who they are and their stories in more detail, then you can get the whole series on Amazon, in paperback or for your Kindle.

The main point of these classes is to have fun, remember who you are, and to ultimately begin to feel more at home on this planet. Above all, we want for you to realise that you are not alone, and that we're all in this together!

## THE CLASSES

These classes were created to assist Earth Angels who may be finding it difficult to be on Earth at this present time of energetic shifts and spiritual growth.

When Earth Angels know their true origins, understand why they are here, and discover their purpose for this life, they can really shine, and enjoy their life, enjoy being human, and enjoy connecting with others on the same path.

These classes are a way to begin that process of discovery and learn useful tools and concepts that make being human a little bit easier.

Each class will include material to read about the topic, activities and exercises to complete and a list of recommended books.

You can take the classes in any order, and the topics are:

REMEMBERING 101

COMMUNICATION 101

EMOTIONS 101

AWAKENING 101

DEATH 101

MANIFESTATION 101

FREE WILL 101

You can pick and choose which ones you do, or do them all, it's entirely up to you! If you do complete all of them, you will have the option of a graduation certificate, to show that you have completed your studies at the Earth Angel Training Academy - again!

## FREE WILL 101

This final class will help you to go forward into the world as an Earth Angel and follow your mission.

When you realise that you have Free Will, you will begin to enjoy the journey on this planet much more, as you can control your experience.

The intention for this class is to help you to create the life you really wish to live at this time by recognising and releasing old patterns and programming, and consciously choosing who you want to be and how you want to live.

Your life is your creation. Make it awesome!
