

A large, low-profile stone wall serves as a base for the 'DARESBUY PARK' sign. The letters are large, metallic, and three-dimensional. Behind the wall, several tall, dark green coniferous trees stand against a clear blue sky with a few wispy clouds. The foreground is a grassy slope.

Daresbury Park is one of the largest business parks in the northwest extending to 225 acres with planning consent for 1.6m sq ft of offices. It is identified as a Key Strategic Site by North West Development Agency. Daresbury Park, which is superbly landscaped and manicured, has already attracted a host of major blue chip occupiers including BNFL, ABB Eutech and HS Administrative Services.

As well as offering the new offices at Cinnabar Court, if required larger buildings can be designed and built to specific occupiers requirements on the remainder of the park by Marshall CDP, the owners and developer contractors of the Park.
