1. Tax will vary based on your jurisdiction. If your Company is located in the United States, tax relates to state and local sales tax and if your Company is located in the European Union or the United Kingdom, tax represents value-added tax (VAT). If you are located in the European Union or the United Kingdom and are not charged VAT, this invoice relates to services which are deemed to be supplied where received and under Article 196 Council Directive 2006/112/EC the customer must self-account for VAT on the reverse charge basis in their own jurisdiction.

Due to recent United States tax law changes, effective September 21, 2020, Intercom will begin assessing sales tax in the following jurisdictions in the United States: Arizona, Connecticut, District of Columbia, Iowa, Massachusetts, New York, Ohio, Pennsylvania, South Carolina, Texas, Utah, and Washington.
