

FAQ

1. I cannot find the Slow & Steady game.

- After logging in, click on the Workshop link at the top of the screen.
- Next scroll down to Challenges and Contests.
- Look for a challenge called Top-Down Perspective (you might have to go to a second page of links) and click on it.
- Under Challenge Missions find and play the game called "Slow and Steady."

2. What if I already have a GameStar Mechanic Account?

That's great. Feel free to login and use your account to play Slow and Steady

3. What is the redeem code?

The code is GAMINGTHESYSTEM.
