

School Student Rebate 2018

As part of the new Club Development Officer Network (CDON) structure Squash SA has changed the base funding structure to provide an incentive for coaches to engage more primary and secondary schools.

This will hopefully encourage Club Development Officers to spend more time engaging with schools and eventually increasing junior program participation numbers.

Incentive payments will be made to the Club Development Officer based upon the following:

School Student Rebate Payment	
Will be available to the Club Development Officer upon invoicing, based on \$1 per primary or high school student seen in a school gym or squash court during school hours	\$1 per student, per session up to a maximum of \$2,500 per calendar year

Conditions:

- Sessions must be in school time and for a minimum of 45 minutes.
- The School Student Rebate can be claimed for both primary and secondary school students
- The School Student Rebate does not apply to regular club junior programs or any program run out of school hours
- This rebate is due for review June 30, 2018

To receive the incentive the Club Development Officer must fill out the section below.

Rebates can be made at any time and do not need to be held until the end of a month or term.

The Development Manager will inform you of your remaining eligible rebate amount after each claim

Date/s for multiple sessions	School and grade	Total no. of students/attendances	Promo material offered?
