Here's a [photo](#) from *Food & Wine* restaurant editor **Kate Krader** from yesterday in Aspen of chefs boarding a private jet back to New York City. (The private jet is [an annual thing](#).) On board, according to Krader: *F&W* EIC **Dana Cowin**, **Tom Colicchio**, **Jacques Pepin**, and The Meatball Shop's Michael Chernow and Daniel Holzman. Sit tight: Hangover Observations from Eater soon.
